**That Nagging  
Backache**  
May Warn of Disordered  
Kidney Action  
Modern life with its hurry and worry,  
irregular habits, improper eating and  
drinking—its risk of exposure and infec-  
tion—throws heavy strain on the work  
of the kidneys. They are apt to become  
over-taxed and fail to filter excess acid  
and other impurities from the life-giving  
blood.  
You may suffer nagging backache,  
headache, dizziness, getting up nights,  
leg pains, swelling—feel constantly  
tired, nervous, all worn out. Other signs  
of kidney or bladder disorder are some-  
times burning, scanty or too frequent  
urination.  
Try Doan's Pills. Doan's help the  
kidneys to pass off harmful excess body  
waste. They have had more than half a  
century of public approval. Are recom-  
mended by grateful users everywhere.  
Ask your neighbor!
