That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

needed. They will share the responsibility for the Saturday morning breakfast and the program. The president urges all members who plan to attend to let her know as soon as possible (don't wait for a meeting) as definite plans must be made. All reservations must be made through her and she suggests that they be made immediately as all the best rooms will be taken first. Reservations have been sent in since January and Mrs. Ayscue of Morehead City informed them reservations were coming in every day. The convention will open with the registrations 8:30 Friday morning, June 17, and will close with the Sunday morning breakfast June 19. If members cannot attend all three days, attend as many as possible, but make reservations now.

Members representing the local club were Mesdames Lawrence Towe, J. H. Bagley, Tom Perry, James Wilder, Earl Perry and W. E. Dail. Lawrence Towe, Leslie Perry and James Wilder accompanied them to Greenville.

flames of fire which are his messengers; above all the prophets and apostles have caught sight of another divine and wonderful order of rational beings, of races loftier and purer than man—angels and archangels, thrones and dominions, principalities and powers, fulfilling God's will in heaven as it is not, alas! fulfilled on earth.

The prayer for forgiveness of debts or trespasses is coupled with the measure that it be granted in proportion as we forgive. "Is it not of deep significance that this clause of the prayer is the only one which our Lord proceeds to explain and enforce?" asks the Rev. James W. Thistle. "In the words of Martin Luther, this clause is a token designed to remind us of the ground or condition of continued blessing; and, moreover, when spoken from the heart it may be regarded as a seal affixed by God to the absolution which
