

Balls And Strikes

Hertford Indians snapped their three game losing streak last Thursday night when they trounced the Plymouth Rams 8-4. Jack Gaines did a masterful pitching job against the Rams, giving up six hits, and striking out seven. Plymouth scored three runs in the first but the Indians had

a field day in the second collecting seven hits and eight runs.

Still somewhat handicapped due to injuries the Indians played most of the week with a make-shift line-up. Tom Swain was obtained to play short stop. Bill Beregon was moved into centerfield, and Fred Montsdeoca replaced Red Kimbrell at first base. Red was injured Thursday night, when he nearly tore off a finger nail attempting to catch a Ram player off base. Dud Rushing, Indians centerfield left

for his home in Tampa, Fla., Saturday to recuperate from a chipped ankle bone. He is expected back in the line-up in about three more weeks.

Elizabeth City presented a vastly improved ball club when they played in Hertford last Friday night. The Indians had to hustle in order to win the 2-1 decision. Bob Adams, chubby pitcher for the Indians gave up seven hits and struck out nine Senator batsmen. He allowed three walks. He drove in the tying run in the seventh and almost scored the winning run but was out at the plate attempting to score from second on a fly ball.

Bill Beregon looks like a great centerfielder from our seat in the bleachers. "Muggy" can sure cover ground and he literally eats up fly balls. LeRoy Sires must be gaining the respects of opponent pitchers, they are giving him nothing good to hit at and he's getting plenty of walks. Fence bustin' has been down his line in recent games.

Joe Nowell led the hitting for Hertford against Elizabeth City, getting two for four. Nowell, came up with a double, a single and two hard hit balls were caught in deep outfield.

We made a mistake reporting the batting percentages last week. Bob Adams was listed as being at the bat four times with no hits. It should have had two hits for four tries, giving him a .500 average.

It's Elizabeth City again for the Indians next Monday, July 4th. The teams will play a double header on that day. The first game will be played in Hertford beginning at 3 o'clock in the afternoon and the night-cap will be played in Elizabeth City, starting at 8:15 p.m. It's a holiday for everybody Monday, so let's all turn out for the ball game.

SOIL CONSERVATION NOTES

W. R. Baker of Nlesser community recently had the Soil Conservation Service technicians working with the Albemarle District survey a lead ditch on his farm. Mr. Baker wanted to determine if his ditch had an adequate outlet before going to the expense of having it cleaned out.

Soil samples have been taken on several fields which farmers are planning to seed to permanent pasture this fall. Soil samples were taken for T. H. Jones, Earl Morse, C. R. Chappell, Melvin Colson, Thomas Winslow and Milton Dail, Jr.

Foot Question "Daughter," said dad, sternly, "I hope when you are with that young man there is none of this petting and kissing foolishness." "Oh, be yourself," retorted daughter, "We're not married and you can't expect us to spend all our time scrapping when we are together, the way you and mother do."
