

### Indian Cagers Win Two From Columbia

The Perquimans Indians and Squaws trounced the Columbia Wildcats in a double-header basketball bill on the local court Wednesday night. The Squaws took the opening game by a 46-34 count while the Indians won the nightcap 45-34.

Perquimans girls jumped into a 16-6 lead during the first period and led by Perry and White, in scoring, had an easy time defeating the Columbia girls for the second time this season.

The Indians got off to a slow start and Columbia led during the boys game until near the end of the third quarter when quick goals by Berry, Towe and Thatch put the Indians ahead. After that time the Indians controlled the ball game and won going away by a margin of 11 points. Score at half time was 21-16 in favor of Columbia.

### County Boards To Meet Next Monday

Members of the Board of County Commissioners will meet Monday at 10 o'clock A. M., in the Court House at Hertford for their regular meeting.

The Board of Education will also meet at the same time, in the office of the Superintendent of Schools. This Board is expected to discuss building plans for the construction of a Negro school at Winfall, preparing for construction work to start at an early date.

### Tree Seedlings Still Available, Agent Says

Landowners who still plan to plant tree seedlings for reforestation purposes are urged by County Forest Warden J. W. Nowell to place their orders as soon as possible with the Department of Conservation and Development.

County Warden Nowell says there are plenty of loblolly, slash, shortleaf and long leaf pine left at the Clayton Forest Nursery, but new orders are arriving daily for them.

The Forestry Division expects to sell nearly 10 million seedlings this year to more than 2,000 landowners throughout the State. County Forest Warden Nowell says order blanks for trees may be had by contacting him at his home in Winfall.

### BIG BICYCLE PARADE SCHEDULED FOR SATURDAY

(Continued From Page One)

In addition to these prizes, 30 theater tickets will be awarded during the parade to the 30 children showing the best knowledge of bicycle safety through the manner in which they operate their bikes during the parade. These tickets will be good for any movie at the State Theater.

Through the cooperation of County School Superintendent J. T. Biggers, and school principals, the movie on highway safety was seen by practically every school student in the county.

Special periods were set up at each school on Monday and Tuesday at which time this film was shown for the benefit of the students.

It was announced by members of the BPW Club committee that a child may enter the safety contest and compete for any of the awards offered without owning a bicycle.

The success of the campaign is evident by the large number of children who are now making scrap books, working out slogans and preparing to enter the parade on Saturday. Without doubt the campaign has made Perquimans children safety conscious and is a project that no doubt will be carried out annually in the years to come.

### "BABY BOND PAYOFF"

The Government this year faces the first billion dollar pay-off on the small-size savings bonds it has been selling since 1935. Treasury officials declare however, that paying off the fully-matured bonds won't be any great problem, as current sales are running so much higher than cash-ins of unmatured bonds that the net intake has been that have been held the full ten covering most payments on bonds years.
