not carry the same sense of appreciation for individual mothers. Words of man are incapable of expressing proper appreciation of the unselfish and devoted life of good mothers and it is given to most children to revere and appreciate their own mother as the noblest expression of this intimate human relationship. Certainly, the day has been commercialized in some respects but so widespread is the recognition of the fittingness of the occasion that Mother's Day stands apart from other days and special occasions. It will be so for many years, and worthily so. It is well for men to revere motherhood but it is better for them to honor their own mothers who will be pleased to witness some expression of a love that should not be assumed. Let us all join to make living mothers conscious of respect and love and to reverently remember the virtues of those who have gone on ahead.

Numbers Are Not All

Personally, it has always seemed to us that the quality of the people in Hertford has been a bigger civic asset than the number. We would prefer to see 100 cultured, respectable, hard-working men and women move into our community than 1,000 people of doubtful purpose, morals and intentions.

Naturally, the population determines, in a marked degree, the business of the town, but very often the back-country that trades within a city or town is as important in the commercial life as are those who live within the municipal limits. The character of these citizens is an important factor in the desirability of the place.

Hertford and Perquimans County have been blessed, we should say, with people of fine characteristics. These traits should be appreciated and our young people should emulate them. They should not be led astray by the typically American insistence upon size.

We do not trust God, but tempt Him, when our expectations slacken our exertions. —M. Henry

Personal To Women With Nagging Backache
 As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!
