FRIDAY, OCTOBER 27, 1950

As a simple-minded citizen, we wonder why corporations make no contribution to the war effort except for cash.

There is not yet a substitute for newspaper advertising despite what some alert salesman may suggest to you.

We are about set to see another industrial miracle provided the government puts up the money to pay for the miracle.

**What Do You Think?**

From time immemorial, health axioms have circulated throughout Perquimans County, and elsewhere and there are those who swear by them, just as they cherish magic formulas to cure many diseases.

Gradually, however, doctors, scientists and better education are exploding some of these beliefs, although it would not be safe to state that all of them are without value. Just for fun, let's check up on your own ideas. Do you think:

That a persistent cough developed into tuberculosis; that one gets warts from handling toadfrogs; that eating seed-containing fruit causes appendicitis; that you should not go to sleep after eating a big meal; that light hurts your eyes when you have a cold, or that removing a splinter with a pin will cause bloodpoisoning?

Now, before reading any further, check up on your opinions. How many of the things listed above fit in with your own belief?

Well, the answer to all of them, according to health authorities, is a vigorous negative!

**May Keep The Peace**

Secretary of State Dean Acheson seems to think that "peaceful adjustment" of the differences with Soviet Russia is possible when the Western nations have adequately reduced the present military inequality.

In a word, the Secretary of State suggests that the Western nations should rapidly re-arm, in order to prevent the Russians from aggression under the impression that their military power is sufficient to run roughshod over the rest of the world.

At about the time the Secretary of State was making his statement, John J. McCloy, U. S. High Commissioner to Germany, speaking in Frankfurt, warned the Soviet Union not to underestimate the power or the determination of the Western allies to defend the German Federal Republic and Western Berlin against Russian or East German aggression.

Over in this country, the Defense Department reported that last spring, before the conflict in the Far East, the Army intended to spend \$312,000,000 for guns, tanks, ammunition, armored vehicles and other important "hardware." Now the figure has been increased to \$2,000,000,000. In addition, arms-buying for the strengthening of Atlantic Pact powers has been jumped up from \$500,000,000 to \$2,000,000,000.

The words of our statesmen, emphasized by the tremendous increase in the size of our armed forces, ought to exert some influence upon the Russians. The whole program of the Western powers, designed to obtain security in Europe, is underlined by the firm action of the United States and the United Nations in Korea. It ought to be obvious, even to the Russians, that the Western nations have decided that war is to be preferred to appeasement.

**ANNIVERSARY OF WSCS AT OAK GROVE CHURCH**

Members of the Woman's Society of Christian Service of Cedar Grove Methodist Church joined with the members of the society of Oak Grove Methodist Church in observing the tenth birthday celebration of the WSCS in a candlelight ceremony held Tuesday night, September 26, at Oak Grove Church.

In accordance with the plan to celebrate the birthday in Methodist churches throughout the nation, the Cedar Grove group furnished the birthday cake. The celebration is an outgrowth of the reorganization of the WSCS from the Woman's Missionary Society in 1940.

There was a lovely arrangement of flowers and the birthday cake centered the table. The service was presided over by Mrs. W. T. Lewis, president of the Oak Grove Society. She opened the service with the hymn, "The Church's One Foundation," which was followed by the repeating of the purpose of the W. S. C. S. Mrs. Lewis gave a hearty welcome to the members of the visiting society and to all other visitors.

The original minutes of the organization were read and all charter members present were asked to stand. They included Mesdames Leroy Nixon, W. W. Lewis, W. H. Overman and Miss Gracie and Miss Addie Mae Ferrell.

Mrs. W. W. Lewis was in charge of the devotional, the theme being "Thy Saving Health." Others taking part were Mrs. C. P. Quincy and Mrs. John A. Elliott. Mrs. George Jackson, program chairman, had charge of the program for the regular meeting, the subject being "Health Through A Brotherhood of Nations." Mesdames L. B. Elliott, W. T. Lewis, Emmett Stallings, W. W. Lewis and Misses Addie and Gracie Ferrell also gave talks.

Six candles representing the goals accomplished in the past year were lighted by the following officers: Mesdames C. P. Quincy, L. B. Elliott, Emmett Stallings, Wallace Bright, George Jackson, and W. W. Lewis. The center candle, representing growth for the future, was lighted by Mrs. W. T. Lewis, president. She then led in prayer. In conclusion, the hymn, "Blest Be the Tie" was sung. Following the service, cake, ice cream and mints were served to the 86 persons attending.
