Prospects for a balanced budget for the federal government was revealed by President Eisenhower this week when he presented Congress with a proposed budget for the fiscal year beginning July 1. eeeds going to the March of Small surpluses were predicted for the current year as well as the year 1956-57. However, the President cautioned Congress a tax cut should not be voted unless the action can be done prudently. The nty chapter, announced that new budget calls for an increase in government spending to be offset

The budget message was received with mixed reaction, some members unty are assisting in the of Congress expressed opinions that proposed expenditures were too volunteering as a solicitor of high and should be cut to allow tax cuts on individual incomes. There will direct collections for are predictions from Washington a tax cut will be voted in this election year for individuals but the present tax rates will prevail on corporation and excise taxes.

NEW LEADER-Comdr. R. T University, was commissioned in 1941, and since has had duty rang ing all the way from tugs to jets

Com. Brinn Named

Comdr. Rufus T. Brinn, USN, son of Mrs. R. T. Brinn and the late R T. Brinn of Hertford, assumed command of Airship Squadron TWO Glynco, relieving Comdr. Charles M. Robertson, USN, who has departed for duty, aboard the USS Floyd's Bay in the Far East, battle to Aboskie by a margin of Comdr. Robertson was fermeris 49-48. The local girls held a 26-USS Floyd's Bay in the Far East.

Comdr. Brinn had been the executive officer of ZF-2 since Aprust ended. During the overtime Per of last year, following LTA flight training with the Airship Training take a one point lead then Ahoskie Unit and a four-month tour of duty hit a basket to give them a one with Fleet Airship Wing One, Weeksville, N. C.

The new commanding officer of the squadron has had a very colorful Naval career. The versatility of the new squadron commander, who is 36, can be illustrated by his varied types of duty which includes

Comdr. Brinn graduated from Duke University with an "AB" degree in 1940 and received his commision in the Navy in 1941.

While serving as executive officer of the USS Hopping, he was ordered to heavier-than-air flight training in 1944 and received his wings in June of 1945. Following a tour of duty in the Pacific which tour of duty in the Pacific which included "Operations Crossroads", Comdr. Brinn reported to NAS cer of Fighter Squadron 12, which was based aboard the USS Philip-

Prior to his arrivel at Glynco to begin his lighter-than-air training in 1954. Comdr. Brinn studied at McGill University, Montreal, Canada and Naval Schools in Great Britain, and served in air intelligence with the Air Force in Washington, D. C. Among his service ribbons. Comdr. Brinn wears the Navy Silver Star and the Order of the Russian Red Star. for service in the Armed Guard "Suicide run to Murmansk" in early 1942.

Comdr. Brinn resides at Brunswick. Ga., with his wife, the former Mary Alice Cahoon, daughter of Marshall and Mrs. B. Ray Cahoon of Columbia, N. C., and their my and Ray.

License Deadline Is February 15th

Vehicle owners who have not yet urchased their 1956 auto tags are eminded that February 15 is the ng the new tags on all vehicles.

Car owners are advised the lirithout delay, and motorists will e wise to buy tags now and avoid ted as the Pebruary 15 deadline

The basketball teams of Perquimans High School will meet their old rivals from Edenton, in double bill, in Hertford on Friday night with the Indian Squaws playing the Acelets at 7:30 P. M., followed by the boys' game at 8:30.

The Indians marked up two impressive victories during the past week defeating Ahoskie here last Friday night by a score of 75 to 63 and trouncing Sunbury on Tuesday night by a margin of 50 to 27.

Don Baker led the Indian scoring gainst Ahoskie canning 20 points while Bray hit for 18; Williams got 16 and Matthews scored 10. New some was high scorer for the visit ors with 23 points.

Ahoskie started fast and jump into a 16-13 lead in the first period Brinn has assumed command of and led 33 to 31 at the halfume.

Airship Squadron Two at Glynco, but Perquimans came back strong Comdr. Brinn, a graduate of Duke in the second half, displaying a fine shooting percentage to gain 55-50 advantage at the sart of the final quarter. Ahoskie's offens faded during the latter part of the contest and the Indians chalked up their second conference victory of the season 75 to 63.

Coach Ike Perry used his entire quad against Sunbury Tuesday night, scoring an easy win 50 to 27. Williams was high scorer with 19 followed by Bray with 11, Baker 8, Howell 6, Matthews 4, White 4, Miller and Mansfield with two each and Cherry and Whedbee with one each. Ralph scored 12 points for Sunbury.

The Perquimans Squaws dropped both of their games during the commanding officer of NAF 19 lead at the halftime but Ahos Weeksville, N. C., from 1950 to kie's superior height during the frnal period paid off and the visitors tied the count at 47-all as the game quimans scored a charity toss to point victory. Jo Pat Stokes was high scorer with 27 points while Bazemore led Ahoskie with 22

The Sunbury girls defeated the Squaws by a 37-30 score in a game Tuesday night. Sunbury had a 22-12 edge at the halftime and mainlot" (Flying the F2H McDonald Perquimans scoring with 16 points while Sherlen was high for Sunbury with 19 points.

1954 Farm Income

Total net farm income to North Jacksonville, Fla., as executive offi- Carolina farmers in 1954 amounted to 577 million dollars, according to State Crop Reporting Service which released the figures this

The figure is slightly higher than the 569.6 million dollars received in 1953 but is far below the record 707.5 million dollars received by state farmers in 1951.

Total net farm income for 1954 represents 51.2 per cent of the gross farm income of \$1,126,400,000 for the year. This was exactly the same percentage as in 1953, whereas net farm income in 1951 amounted to 60.6 per cent of gross in-

Farm inventories in North Caroina, the Crop Reporting Service said, have shown a loss in each of the years 1949 through 1954. The loss in 1954 was 17.6 million dol-

Net income was determined by adding production expenses and inventory losses, and subtracting this total from gross income. Production expenses for Tar Heel farmers in 1954 totaled 531.9 million dollars, compared with 528.1 miladline for securing and display- lion the year before and only 495.3 million in 1951

For the United States as a whole ing for inventory changes was 445 in 1958 and \$2,919 in 1951, the 1955 class at Perquimans High the farm owner for which a farm surance, interest and rent on farm That's a drop of 17 per cent in the School and was salutatorian of the peanut allotment is established in property, and depreciation of asthree-year period 1951-54.

". . . WISH UPON A STAR"—Fairy-tale-romance-come-true is that of actress Grace Kelly and Prince Rainier III of Monaco. Local GOC Alerted For Full Time Duty

The Perquimans Ground Observer Corps has been advised by Major Vance R. Corbin, Commander of the Durham Filter Center, that the Durham Air Defense Filter Center Area has been placed on "Skywatch" status, effective February 1, 1956. Starting at one minute past midnight the morning of February 1, the local post will be placed into operation on a continuous 24 hours per day basis.

At the present time, the post has approximately 125 members. In order to operate on a 24 hour basi "from tugboat skipper (command-tunied this stokes led the with two people serving two nour ing officer USS Nawat) to jet pi- the second half. Stokes led the shifts, the post needs a minimum of 168 volunteers. But to successfully operate the post, there is a need for at least 200 to 225 people. There is a particular need for women or men who can serve during the daylight hours. Anyone who can and will join is asked to

Until this time, the local post has been operating on a standby status since its organization in No vember of 1953. The first alert participated in by the post was in February of 1954 and since that time, it has operated in all but two alerts called by Air Defense. At the time of its organization, Mrs. Marion Swindell was appointed Post Supervisor with Mrs. Edla Webb and Charlie Skinner, Jr., being appointed Chief Observers Team captains later selected were Silas Whedbee, Mrs. J. H. Towe and Jarvis Henry.

In January, 1955, thanks to the contribution of the Town of Hert ford, Perquimans County, local and county civic organizations and merchants, and the contributions of Final Date Given money and work of private citi- For New Allotment zens, work was begun of a structural observation tower on the local Health Center property. The tower was completed in the summer and since that time, all alerts have been successfully held from the tower. Perquimans County and Hertford have been highly praised on having the only known steel tower in the State and for the co-

operativeness of its people. County Girl Leads Va. Nurses Group

This article, the second in a series describing the provisions of the Federal income and Social Se-Henry Brown who pleaded guilty to curity tax laws as they affect farm people, was prepared by Charles R. Pugh, W. L. Turner, and C. W. ment specialists, N. C. State Col-

> If you filed a Federal income tax ceturn last year, the necessary forms for reporting Federal income tax will be mailed to you.

Otherwise, forms, including any extra forms required, may be secured from your local post office or bank or the nearest Internal charge of failing to yield the right Revenue Service office. By completing two copies of each form, the taxpayer can retain a copy for himself.

> The forms most commonly required by farmers and their use are as follows:

"Form 1040": The amount of income tax is computed on this form from the listing of taxable income from all sources, including the profit (or loss) from farming operations, nonbusiness deductions (or the standard deduction) and

"Schedule F": Used to determine farm profit or loss from the itemized sources of farm income To be eligible for a new growers and farm deductions. It is designpeanut farm allotment the follow-jed for use by farmers filing on ing conditions must be met: No either the cash or the accrual bapeanuts were produced on the farm sis. Types of farm income reportin 1953, 1954 and 1955; the opera- ed on Schedule F include: livetor of the farm must have had ex- stock raised or purchased, produce perience in growing peanuts dur- raised or purchased, agricultural Mary Frances Eure, Hertford ing two of the past five years: the program payments, and patronage

> Farm business de auctions or ex sets used in farming. Personal ex- wan Hospitals

penses should not be included on Schedule F but on Form 1040 if they are allowable deductions.

Page 4 of Schedule F is used for computing net earnings from selfemployment from farming. If there are no sources of self-employment for the taxpayer except farming, the self-employment tax is computed on page 4. These taxes may result in social security benefits for you or your dependents in event of your death or retirement.

"Schedule D": used to show your gains and losses from sales of capital assets such as farm land and certain property used in the farming business, such as farm equipment and dairy, breeding, and draft animals held for 12 months or more.

"Schedule C": used to compute the profit (or less) from a nonfarm business or profession. Therefore it will be used by farm people having a business in addition to farming. In fact this form may be used for reporting profit (or less) from farming if the farmer files his return on the accrual basis. Farm people having both a farm and non-farm business or profession use page 3, Schedule C, to compute their self-employment tax. The net earning from self-employment from farming as computed on Schedule F are transferred to Schedule C and the 3 per cent selfemployment tax is figured from the combined amounts of self employment incoma.

Form 1040 ES": used to declare an estimate of tax. Farmers file this estimate by January 15 unl they file their final return and pay the tay on or before February 15.
