

**"King Lear" To Be Presented At ECSTC**

The Lyceum Committee of State Teachers' College has announced that Shakespeare's "King Lear" will be presented by Players, Incorporated on Saturday, March 10, 1956, at 8:15 P. M., in the college auditorium.

One of the foremost theatrical groups in the country today, Players, Incorporated has given more than 700 performances of the great works of Shakespeare, Shaw and Moliere.

All members of the company are former students of the famous Speech and Drama Department of The Catholic University of America, Washington, D. C., noted for the many Broadway Hits which have originated from the University Theatre.

Julius Caesar, enthusiastically received by the college community last year, Macbeth and Othello are several of the distinguished productions of Shakespeare's tragedies which the national repertory company has produced for six seasons.

To this impressive roster they

have added for the current season Shakespeare's most majestic and exciting tragedy "King Lear," the story of the mental deterioration of a king who is driven mad by his daughter's ingratitude.

**SUNDAY SCHOOL LESSON**

"heaven and earth shall pass away: but my words shall not pass away. In a changing world, Jesus is unchanging—the same yesterday, today and forever. And, even death cannot separate us from God.

Therefore, Christians are to keep busy in His service, living so as to be ready for whatever happens, when it happens. In this world of atomic and hydrogen power, men need the assurance that God is eternal and that, despite their appearances, things are not out of His control.

**CARD OF THANKS**

If you are miserable and worn out because of these discomforts, Doan's Pills often help by their pain relieving action, by their soothing effect to ease bladder irritation, and by their mild diuretic action through the kidneys — tending to increase the output of the 15 miles of kidney tubes.
