DID YOU SAY 3%?
NO I SAID 4%
Mr. 4%
For 48 years we have never paid less than 4% on policy proceeds left with us to our policy owners—and an annual policy we guarantee 2 1/2%. 4% is the highest interest rate paid by any major life insurance company. It's just plain common sense to build up your family. Yet it costs you nothing extra. Ask Mr. 4% how to put your family in the "4% class".

AT COLONIAL'S
Don't Be Misled
55th Anniversary Sale!
There is a terrific difference in beef. All beef sold by Colonial Stores is graded and inspected by the U. S. Department of Agriculture for your protection. Colonial sells two grades of beef... Matur-Tender, which is USDA Choice or Better and Budget Beef, which is USDA Commercial or better. It's only fair that you should know the grade of beef you are buying because the best value is not always the cheapest price. When you buy beef, look for the USDA Grade Stamp on the cuts and the USDA Grade on Advertisements. When buying beef choose Colonial's two grades... MATURE-TENDER... NO FINER BEEF... ANYWHERE—and BUDGET BEEF... NO BETTER BUY... ANYWHERE.
