Thirty Students Take SQT Test

Thirty juniors and seniors of Perquimans County High School are to be complimented for giving up their holiday on October 21 when school was closed for the Northeastern District meetin gof the NCEA in Elizabeth City, to take the scholarship

qualifying test. The test began at 9 A. M. and lasted for two hours. Any finalist in this SQT test will be required to take the scholarship aptitude test.

Each year more interest is being shown in these scholastic tests. Last year 11 students took the SQT tests compared with 30 taking the test this year. This test is a very convenient means to compete for a large number of national, regional and local scholarships. The student also secures an inexpensive (the test costs \$1.00) prediction of his SAT and other
