We Are Observing An Anniversary

As we bid farewell to the year 1959 it would be amiss for us not to remember that it was just one year ago, in December, when we became owners and managers of one of the outstanding hardware stores in this area of the state.

During this past year it has been our privilege to serve many of you good people of Hertford, Perquimans County and neighboring communities and we want to express our sincere thanks and appreciation for this opportunity to be of service to you.

The friendships which we have established among you mean more to us than words can describe; it will always be our endeavor to cement these friendships into stronger ties.

We will also strive to offer each one of you the service and accommodations which you may seek . . . providing you with, right here at home, all of your needs in the hardware line. The motto of our store has long been "Trade Here and Bank the Difference" . . . This, we assure you, will be continued as we try to bring you quality merchandise at the lowest possible prices.

We will look forward to serving you during 1960 . . . and urge you to shop in Hertford.

WITH BEST WISHES FOR THE COMING YEAR TO ALL OF YOU
