

Cotton Support Prices Announced

Price support to cotton farmers who plant within their regular Choice "A" allotment in 1960 will be 23.97 cents per pound for 3/8 inch middling at average locations. According to George Bellmon, Perquimans County ASC office manager, the support rate in this state for 3/8 inch middling will be in the neighborhood of nine-tenths of a cent per pound higher because of the cheaper transportation to mill areas which are located in this state.

For producers who elect the Choice "B" program which permits them to plant up to 40% over their "regular" allotment, the level of support is somewhat lower. The rate for Choice "B" farmers for 3/8 inch middling at average locations will be 23.18 cents per pound. For Choice "B" farmers in this state the nine-tenths of a cent price differential would also apply. In accordance with the law these rates are final. There will be no recalculation of support levels at the beginning of the marketing year for the 1960 cotton crop.

Bellmon also cautioned cotton farmers that March 16 is the deadline for making a choice between the "A" allotment and the "B" allotment for their farms. All cotton farm operators are being mailed a letter giving the price support level and a reminder of the "A" and "B" allotment for their farm.

Bellmon urged all cotton farmers to make their choice of cotton allotment by the deadline of March 16. After that date all farms on which the operator has not made a choice will have the "A" allotment in effect for 1960. This is a requirement of the law and cannot be changed by the county ASC Committee.

FIFTY-SIX G TACKLE—Football player Larry Cundall, of Colorado University, lies unconscious after he was blocked by another player. The impact that cooled Cundall was electronically measured as 56 times the force of gravity by an aircraft company which builds jet ejection seats.

W. M. U. MEETS

The Great Hope W. M. U. met Tuesday night with Mrs. Pailen Lane. The meeting opened by singing "The Woman's Hymn." The devotional meditation was given by Mrs. Wilbur Roberson and Mrs. Henry Napier.

The program chairman presented a very interesting program on "In Words, In Speech, In Deed." The minutes of the previous meeting were read and approved and the roll called with 16 members present and one visitor.

The time and place designated for observing Week of Prayer will be March 7, continuing each night at 7:30. The meeting closed with all repeating Psalm 19:14 and prayer. The hostess served a delicious course with hot tea.

Hertford PTA To Meet Next Thursday

The Parent-Teacher Association of the Hertford Grammar School will hold its regular monthly meeting next Thursday night, March 10, at 8 o'clock in the auditorium of the school.

Devotional will be presented by Carroll Williams and the Rev. W. S. Brown, pastor of the Woodville Baptist Church, will be guest speaker. The Rev. Mr. Brown has served on a juvenile delinquency committee in South Norfolk and in some instances worked with the police.

It is probable, that a report on some of the committee's findings will be given along with reasons for delinquency. The program will certainly enhance the PTA study course which was recently held at the school. Mrs. R. L. Hollowell, president, will preside at the business session which will be followed by a coffee hour. All members are urged to attend the meeting which promises to be most interesting.

Fireman Awarded 25 Year Service Pin

C. T. Skinner, Sr., was recently presented a 25-year membership pin from the North Carolina Firemen's Association. Mr. Skinner has been a member of the Hertford Volunteer Fire Department since 1916. Chief R. C. Elliott stated in presenting Mr. Skinner the pin, "Mr. Skinner has been serving the department as a continuous member without any break in service for 43 years." He has seen the department grow from hand

drawn chemical carts to a department with four pieces of fire fighting apparatus.

The Hertford Fire Department has been a member of the N. C. Firemen's Association since 1929.

4-H DEVELOPMENT DRIVE IS NOW UNDER WAY HERE

Continued from Page One Gifts were presented to Mrs. Rogerson by Mrs. Elton Hurdle on behalf of Hollowell Chevrolet Company, Charles Harrell of Harrell Gas and Coal Company, Fred Mathews of Fred Mathews Livestock Auction, Broughton Dail of Milton Dail and Son, Joel Hollowell, Sr., of J. F. Hollowell and Son, and Robert Lewis Stevenson of Hertford Banking Company.

Other business firms that contributed were Albemarle Chemical Company, Hertford Livestock and Supply Company, and Miller and Humphlett Livestock Market. They have all been excellent supporters of 4-H Club work in Perquimans County and they have shown again that the youth of Perquimans County are uppermost in their minds and hearts.

These businessmen felt strong about this opportunity to help young peoples and to get the drive off to a good start.

The 4-H Development Fund community chairmen are Floyd Matthews, Mrs. Fannie Hurdle, Mrs. Edgar Long, Mrs. J. N. Winslow, Mrs. Russell Baker, Mrs. J. L. Harris, Mrs. C. T. Duncanson, Jr., and Mrs. L. B. Elliott.

The group of community workers decided on a one-day drive to raise the county quota

of \$4,745. This is the amount that the group of workers decided would be a fair share of the money the counties are asked to raise. The drive will be held on Tuesday, March 8. When the worker in your community calls on you, please remember that you are giving to the future of 4-H Club members who are now young people, but will be the leaders in your community, county and state in just a few years.

Winfall News

W. N. (White) Matthews of East Carolina College, Greenville, is spending the spring quarter with his parents, Mr. and Mrs. Nathan Matthews.
