

### Sweet Potatoes In Purchase Program

A program for the purchase of sweet potatoes for distribution to the school lunch program and other eligible outlets is announced by H. D. Godfrey, administrative officer for the North Carolina ASC State Office.

Sweet potatoes must be of the "Porto Rican" variety, or varieties of similar varietal characteristics and packed in new tub bushel baskets, containing not less than 50 pounds net weight. The sweet potatoes must be of U. S. No. 1 Grade or better, with not more than 1% tolerance for soft rot or wet breakdown, and must be inspected by the Federal-State Inspection Service.

The price will be \$2.30 per bushel, loaded on cars or trucks at the option of U.S.D.A. at the point of purchase, for sweet potatoes purchased and accepted under the program. Purchases will be limited to growers, cooperative associations of growers, or growers' authorized agents.

Further details of the program may be obtained from the county ASC office. Growers desiring to sell sweet potatoes under this program should submit their offer to the county ASC office not later than 5:00 P. M., Tuesday, March 15.

ing and giving a food demonstration. The limit for a demonstration is 15 minutes. The first step is to select a recipe that the demonstration likes and enjoys preparing. It should be a new dish, unusual, practical and not too difficult to prepare. The nutritional content of the food should show how it fits into the basic food groups.

Posters should be made showing the various steps in the demonstration. The introduction includes name, club, county, title and purpose of demonstration. The body includes ingredients used, and the steps in the preparation of the recipe. Next the demonstration shows the different ways of serving the dish and a display of menus that could be planned around the dish. Suggestions for garnishing and serving attractively may be given. Summarizing the information given in the demonstration is very important. This should point out the versatility of the dish and other important tips stressed throughout the demonstration.

Demonstrations will surely go to work the pledge of the 4-H Club. Using head, hands and heart — resulting in better health for better living.

A demonstration has to win county before given at district elimination day. To become a county and district winner is an honor, being a delegate to State 4-H Club Week at State College in Raleigh is a highlight in the 4-H experience. It is a means for helping to make 4-H more

### Duling To Preach Revival Services

According to their pastor, the Rev. Henry V. Napier, Tyner, the Great Hope Baptist Church will continue revival services through Sunday, March 13. The evangelist for the revival is the Rev. Charles A. Duling, pastor of Cashie Baptist Church of Windsor, who is a former pastor of the Hertford Baptist Church.

Music will be directed by the pastor of the church and the public is extended an invitation to attend.

### 4-H Club Week

By Phyllis Brandon

There are many interesting things and events that have contributed to the success and greatness of the 4-H program during its fifty years of growth and development in North Carolina.

The true worth of the 4-H program is measured by the way it is used to enrich the lives of 4-H boys and girls. One of the ways to do this is through the various demonstrations given by club members.

There are many different types of demonstrations that 4-H boys and girls can give. It helps to give one in which you are interested and one of interest to others. Some of these are electric, entomology, dairy foods, sewing, forestry and food preparation.

There are several important steps in the process of preparation.

Doing nothing is better than being busy doing nothing.

—Sydney J. Harris.

Rushing around smartly is no proof of accomplishing much.

—Mary Baker Eddy.

meaningful for everyone. Besides making friends of club members from other counties, you learn good sportsmanship. The more a 4-H Club member does toward actual preparation of his demonstration, the more benefit he derives from it, for we learn by doing.

By Sandra Jennings

A community 4-H Club is helpful to the community, county, family and home. It gives young people a chance to be leaders; it makes better citizens and it develops a better personality. The members have a chance to take an active part in all 4-H work and activities.

A community 4-H Club helps the community by carrying out projects such as cleaning up trash dumps, places where flies and mosquitoes breed and places where disease starts.

In December a community 4-H Club was organized for the Woodville and Chapanoke communities. The group decided to call it the Wood-Chap Club. Officers were elected as follows: President, Sandra Jennings; secretary, Irene Elliott; treasurer, Cherry Jo Creamer; program chairman, Joan Green; reporter, Kay Wood; recreation, Inez Boyce; song leader, Pauline Colson.

The adult leaders are Mr. and Mrs. E. L. Jennings and Mr. and Mrs. L. B. Elliott.

When the club was organized it met in the homes. The club was so large the leaders talked of dividing the group. In January Mrs. Wallace Wood of Woodville donated an old two-room apartment to be used as a club house. The club is grateful to her. At present the club is trying to secure furnishings for the building. They are busy making plans for painting and fixing up the rooms.

of electricity and its purposes help to create interest. Demonstrations that are prepared and given by 4-H'ers help to teach others about electricity. Demonstrations given to the Home Demonstration Clubs of the county has aroused interest in electricity among the parents.

Are the homes efficiently wired for the use of the many electric appliances now on the market? This is an important question created by the demonstrations given by the agricultural and home agents.

The electric project is an interesting and educational project. It is hoped that more people will take an interest in the electric program that is being offered in Perquimans County.

4-H CLUB NEWS

The Winfall Sixth Grade 4-H Club held their regular monthly meeting Tuesday, March 8.

The president presided over the meeting. The group said the two pledges and then the devotionals was given by Billy Nixon. The minutes were then read and approved by the Club secretary. Mrs. Wood's seventh grade give a program on conservation called "The Big Three". The people in the program were Jimmy Riddick, Wayne Winslow, Brenda Byrum, Ann Nowell, Joyce Banks, Billy Heath, Marcia Copeland and Joyce Lane.

The 4-H Club meeting was called to order by saying the two pledges. Richard Bryant thanked the group for selling tickets to the barbecue supper. The meeting was then turned over to the program chairman of Mrs. White's room, after which the meeting was turned over to the agents.

### Note Of Importance

Some of those users of gasoline and oils for agriculture are still in arrears in their accounts for the past farming season, and while we certainly have no desire to inconvenience any customer, we do however, have to make collections in order that we can continue service for 1960.

We must ask that these accounts be paid or properly arranged for at a very early date as it is fast nearing the time to begin the new farming season.

We do greatly appreciate the cooperation of those who have been so helpful in these matters and assure you that it is a pleasure to serve you in any way possible.

Thanks to you all for your patronage and cooperation.

FORD—The Finest Fords of a Lifetime FALCON—The New-size Ford THUNDERBIRD—The World's Most Wanted Car

AMERICA'S WAGON SPECIALISTS

America's station wagon specialists complete the world's largest wagon family with TWO NEW-SIZE wagons. They're Falcons in size and savings—and full-begged Ford wagon wonders when it comes to work! With 2 feet less car to manage, you're a genius at solving traffic problems—a past master at parking.

Falcon Wagons are priced up to \$154 less than other 6-passenger compact wagons. The 2-door model is America's lowest-priced 6-passenger wagon.

Falcon gives the best gas mileage of any American-built wagon, on regular fuel. You can go up to 30 miles on a gallon of gasoline!

You get other Falcon savings, too. Repairs cost less. Change oil only once in 4,000 miles. And the Falcon's aluminum muffler normally lasts twice as long as the ordinary kind.

Longest load floor in the compact field is yours in a Falcon. It's over 7 ft. long, with cargo space totaling more than 76 cubic feet!

Full-six-passenger room, too, because Falcon Wagons are built for people. There's room for hats, hips and legs. Come see these newest wonders from the Ford wagon world! FORD DIVISION, Ford Motor Company.

## NOW...for you...quality PURINA CHOWS

Famous laboratory-designed, farm-tested Purina Chows and Concentrates are now available in this community.

Here are just a few of the efficient Purina products we have for you, each specifically formulated for the birds or animals you feed.

<p><b>NURSING CHOW and CALF STARTENA</b></p> <p>Purina's calf rations eliminate costly milk feeding... help calves grow up to 40% larger than calves fed the average way.</p>	<p><b>BABY PIG CHOW &amp; PIG STARTENA</b></p> <p>The "Fast-Start" Twins</p> <p>Modern growth rates for pigs would amaze good farmers of yesterday. Baby Pig Chow and Pig Startena give pigs the kind of start that sends them to market weeks ahead of old schedules.</p>	<p><b>STEER FATENA</b></p> <p>With or without stilbestrol, Steer rations made with Steer Fatena save grain, help cattle make fast, profitable gains.</p>	<p><b>CHICK STARTENA</b></p> <p>Gives baby chicks a "flying start." Reduces chick mortality and gets chicks out from under the hovers in a hurry.</p>
<p><b>BULKY-LAS</b></p> <p>This is Purina's multi-purpose "Chow for cows." Cows love it... and so do dairymen for what it does.</p>	<p><b>PURINA HOG CHOW</b></p> <p>Fed with grain according to Purina's program, Hog Chow builds market weight hogs in less than 5 months.</p>	<p><b>BEEF CHOW</b></p> <p>Beef Chow helps your grain build the finish found only on top show steers.</p>	<p><b>CHICK GROWENA</b></p> <p>Chick Growena takes advantage of Mother Nature's "urge to grow" and builds strong, vigorous pullets.</p>
<p><b>D &amp; F CHOW</b></p> <p>A top-quality complete heifer and dry cow ration containing minerals and vitamins dry cows need to build calves and condition.</p>	<p><b>SOW CHOW</b></p> <p>A sow is a "working" hog and needs a special ration to build condition, produce healthy litters and make milk. Sow Chow has what it takes to help her do these jobs.</p>	<p><b>FAT CALF CHOW</b></p> <p>For putting weight on fat calves FAST!</p>	<p><b>LAYENA</b></p> <p>Layena is Purina's famous egg ration, containing the right amount of those ingredients modern science says do the best job of helping hens lay eggs at a profit. Other specialized egg rations are also available.</p>
<p><b>PURINA MILKING RATIONS</b></p> <p>Ask us about Purina milking rations designed for this milkshed. Purina milking rations feed the cow as well as the milkpail.</p>	<p><b>HOG FATENA</b></p> <p>A complete ration for finishing hogs... tops for farmers short of grain.</p>	<p><b>OMOLENE</b></p> <p>Palatable, energy-packed Omolene is a top conditioner... a popular feed of many uses.</p>	<p><b>MEAT POULTRY "SPECIALS"</b></p> <p>Ask about special developing and finishing Chows for broilers and turkeys. Purina has led in the development of high efficiency poultry finishing rations.</p>

**FOR DOGS and other animals**

Purina makes Purina Dog Chow for working dogs and NEW Purina Dog Chow for pets. We carry both. Purina also makes special rations for rabbits, goats, pigeons, game birds, guinea pigs, laboratory animals, and fur-bearers.
