

ERVIN SAYS

October 18th was a day for Western North Carolina when ground was broken for the Carolina Power and Light Company's new 250-horsepower steam-electric generating plant at Skyland. Ervin and I were privileged to attend the ceremony. The drive by automobile from Marion to Skyland gave me the opportunity to see the mountains arrayed in all of their fall splendor, and to recall John Charles McNeil's poem on "October" which space does not permit me to quote. The ceremony began promptly at 11 A. M., on a 760-acre tract just west of Skyland and east of the French Broad River where the new plant will soon rise to the height of a 16-story building. Markers outlined the site of a 500-acre lake which will soon provide water for the plant. A 1,000 foot dam will cross the valley in an area of unsurpassed beauty. In normal operation the new plant will produce enough electricity to serve 200,000 Western North Carolina families. Recreation facilities will provide public picnic areas when the project is completed.

BRIDGE CLUB MEETS

Mrs. T. L. Jessup entertained her Bridge Club Tuesday night at her home on Front Street. Those playing were Mesdames C. R. Holmes, J. D. Coston, Corbin Dozier, Miss Louise Chalk, Miss Frances Newby, Miss Ruby White, Miss Mary Sumner and the hostess. The high score prize went to Miss Sumner. A sweet course was served.

Difficulties are the things that show what men are. —Epictetus.
