Minutes of Board of Education

The Board of Education met in regular session on Monday, February 6, 1967 at 8:00 P. M. in the Superintendent's office.

All members were present. The chairman called the meeting to order. Minutes of the last meeting were read and approved. The Board voted to allow Faye Boyce Marriner and Alline James to continue school after marriage.

The Board voted to approve the extension of the period of absence because of sickness for Elizabeth S. Fitt and George Reid.

It was decided that the old house on the property which the Board is in the process of acquiring would be given to the Hertford Fire Department upon the receipt of the deed to the property by the Board.

A lengthy discussion of "Compliance Plans" for the decisions were made on this 1967-68 term ensued. No decisions were made on this matter.

A lengthy discussion of the instruction program in our schools followed. It was pointed out that the teaching of English was the most difficult of all teaching. A thorough knowledge of English and bad weather, the schools in Perquimans County were closed on Friday, the 10th and everyone relaxed and enjoyed a three-day holiday.

During the week our girls' and boys' basketball teams played two away games. On Tuesday night the old activity bus traveled to Williamston. Both varsity teams received a free meal that night before the game. Spirits were high but in vain. Both of our teams were defeated. On Friday night the Indians traveled to meet the long rival Edenton Aces. Even though the Aces won both games, our teams fought two of their hardest and best games of the season. The Edenton fans, however, were not satisfied with the victory over us and decided to play a little joke. It turned out to be far from little and a good example of Edenton's reputation.

minutes needed for all other phases of instruction. The Board voted to give greater emphasis and emphasis in the teaching of English in the schools.

The resignation of Frances Marshbourne who has been teaching the seventh grade in the Hertford Grammar School was accepted. The employment of Minnie White to fill this vacancy was approved.

The employment of Mary Morris and Frances Marshbourne by the E.S.E.A. Office was approved by the Board.

On a motion by D. H. Eure, with a second by John Danchiese, the Board passed a resolution to offer for sale, in the manner as prescribed by law, a 1963 Chevrolet Dump Truck and a 1940 Ford Pickup truck. These vehicles are no longer needed for school purposes.

There being no further business at this time, the meeting was adjourned by the chair.

Used car buyers!
Now at Ford Dealers:
A 24-month or 50,000-mile "Factory-Backed" Warranty
(on Late-Model Used Cars.)
Now you can get a 2-Year or 50,000-Mile Power Train Warranty when you buy a '64, '65 or '66 Ford car!
Eliminate the possibility of high-cost repair bills... on '64, '65 and '66... Ford Motor Company now takes the doubt out of buying a used car. The Factory-Backed warranty will cover your purchase of any used 1964, 1965 or 1966 Ford Motor Company car that has been certified and registered by a participating dealer.
Here's what we mean by it being good for 2 years or a total of 50,000 miles of operation. Say you buy a car with 30,000 miles on it. Then you've covered for another 20,000 miles. For a total of 50,000 miles. But maybe you don't drive that much. Maybe it would take you several years to run up a total of 50,000 miles. If so, we measure your warranty period in time. That's where the "2 years" part comes in. Two years or 50,000 miles, whichever comes first. With this unique Factory-Backed warranty... you never have to pay more than \$25 for any single repair that's covered.
Only one more thing to know. Warranty coverage stops 3 years after the car was made.
