Smart Pup!

The professor of chemistry was giving a demonstration of the properties of various acids.

"Now," he said, "I am going to drop this 50-cent piece into this glass of acid. Will it dissolve?"

"No, sir," replied one of the students.

"No?" said the demonstrator.

"Then perhaps you will explain to the class why it won't dissolve."

"Because," was the answer. "If it would you wouldn't drop it in."

One On Mike

Pat — Moike, do yez know why an Irishman hits the pepper box on the bottom an' a Dutchman hits it on the side?"

Mike — Begorra, Pat, Oi

don't. Why is it? Pat — Shure, an it's to get the pepper out, Moike.

CARD OF THANKS
