## "A Tribute" Martha Rebecca (Mattie) Lassiter

We, the members of the United Society of Friends Women. (The Alice Chappell Circle) of Up-River Friends Meeting wish to pay loving tribute to one of our most loyal, and faithful members, Martha Rebecca Lassiter. Mattie, as she was affectionately called, was the daughter of Jesse and Rebecca Winslow. She was born in the Whiteston Community, in Perquimans County March 22, 1897. On April 24th, 1921 she was married to John Lassiter. Two sons were born to this union, Harold Lassiter, of Norfolk, Va., and Elmer Lassiter of the Whiteston Community. She is survived by the two sons, and five grandchildren. She departed this life on May 21, 1971, after a long illness. Mattie was very faithful to attend Sunday School, and meetings for worship, even after declining health. Just a short while before the end of her life she requested that flowers be placed in the church, when by schedule, it was her Sunday to render this service. She was faithful to visit the sick in her community. An elderly woman whom she always remembered on her birthday, by Mattie's request was still remembered with a flower arrangement, although at that time Mattie was near death's door. Mattie loved flowers as was shown by the beautiful azaleas and other plants and shrubs around and in her home. In general, she loved the beautiful. She was gifted in doing "Fancy Work". Her fingers were ever nimble in making pretty articles for her house, and for gifts for others. She was a faithful, and loving wife, and mother. Truly it can be said of her, as in Proverbs, 31st chapter, "Her Children arise up and call her blessed, her husband also, and he praiseth her." Her influence will be felt for many years to come. In sincere appreciation of her devoted Christian faith, and loyalty, we bow in humble submission to our Heavenly Father's will, and extend to her family, and loved ones, our deep sympathy. We wish this tribute to be recorded in the minutes of our society. A copy sent to The Perquimans Weekly, and one to the family of the deceased.

## ANNOUNCEMENT

AUGUST-1967 AUGUST-1971

Four years ago this month, I was struck down and permanently crippled by a truck tire rim at the Winfall Service Station in Winfall, N. C. This accident put me in debt for several years. I chose this method to respectfully and gratefully thank everyone of my friends and creditors for being so patient with me through this period. Over the past four years, I am very happy to say, I have been able to repay about half my expenses, four thousand dollars. I believe with the proper guidance and if my cards continue to fall in the right direction, the other four thousand will be paid in the next four years. This money is being paid out of my wages, that makes it a slow proposition.

**Thank You, Cedric E. Moore**
