We extend to you a VERY LARGE THANK YOU for the business that you have given us.

It is time again for some thought about heat for the coming season. If you have things to be done, we will be glad to be helpful in any way possible. CALL US.

Our credit arrangement remains the same as last season. If you have not paid your account we cannot begin service again until it is paid or properly arranged for. We cannot serve you if you owe any member of this organization, so please don't embarrass us. We would have to refuse.

We are also carrying many gasoline accounts which will have to be heavily curtailed or paid in full, or we will through necessity have to call for some type of satisfactory settlement at an early date.

Please work with us. We need your cooperation to carry on properly. Thank you.
