

Volleyball Standings

The present standings of the Volleyball League sponsored by the Perquimans County Recreation Association was recently released. The schedule for the women's teams will be released at a later date. The standings as of Tuesday morning are as follows:

MEN'S TEAMS		W	L
Forestburg Rangers		5	0
Community Gas and Coal		5	0
Murray Motor Parts		4	0
Blanchard's Farm Equipment		3	2
Woodville		2	2
Mod Squad		1	3
Winslow's Grocery		1	4
Woodard's Pharmacy		0	4
Jaycees		0	5

WOMEN'S TEAMS		W	L
Morgan's Furniture		1	0
Hertford Hardware (Jayceettes)		1	0
Bank of N.C.		0	1
Snook's Girls		0	1

ACTION — Two members of the Forestburg Rangers volleyball team make sure that the ball does not pass them by during a recent game with Woodard's Pharmacy. In the present standings, the Rangers are one of three teams to be undefeated. Women's volleyball action began last Sunday with Hertford Hardware defeating Snook's Girls and Morgan's Furniture winning over Bank of N.C. The volleyball games are open to the public. There is no admission charge and the concession stand is well-stocked.

IMPORTED FOODS

Identification of imported foods is usually made for most products—Danish hams, Taiwan pineapple. But, if the product is further processed or packed in this country, you may not see an identification of the origin of the food, reminds Rachel Kinlaw, extension food specialist, North Carolina State University.

TOWEL SPREADS

Introduce some happy colors into the children's room by converting oversized beach towels into bedspreads. These look especially good on bunk beds, they won't wrinkle and they're a cinch to wash, points out Wilma Scott, extension house furnishings specialist, North Carolina State University.

GRIND LEAVES

Fall lawn tip: If the grass is thin, grind up your leaves with the mower and leave them on the grass. North Carolina State University extension specialists caution that you shouldn't let the leaves build up and become packed down before you attempt to mulch them with the mower.

NATURAL LOOK

For a more natural look, scatter-plant your spring-flowering bulbs when you put them out this fall rather than planting them in formal rows. Toss out a handful of pebbles in the area where you want the spring flowers and plant a bulb where each pebble falls.

Bazaar Results Are Announced

Mrs. C.T. Rogerson, Jr. recently announced the results of the fall bazaar given in behalf of the Belvidere-Chappell Hill Volunteer Fire Department recently.

Mrs. Rogerson said, "The response to the bazaar from the community was wonderful and the enthusiasm was marvelous. The results of all of this made a huge profit to go toward making a payment on the fire truck. The

members of the auxiliary would like to thank all of the church groups, the clubs, and all of the individuals who contributed to this cause in any way. Without the help of the majority, the results would not have been so great.

Mrs. Rogerson, chairperson of the bazaar committee, pointed out that each contribution may aid some family when the department's truck is called to a fire.

PREPARATION — Millard "Shorty" Layden, a regular participant and member of the Perquimans County Horse and Pony Club prepares for the last show of the season. The special last show will be held on Sunday, Nov. 3 at the club's new ring site west of Hertford. The Perquimans County Marching Unit will open the show with the playing of "The Star Spangled Banner." Trophies and ribbons will be awarded to winners in halter, English and western pleasure, pony, and speed classes. The club invites the public to come out and join in their special last showing and enjoy the many concessions that will be on hand.

CHEESE TOPPER

A cheese topper for broiled meat can be made by blending one part of crumbled blue cheese with two parts softened butter, dash of Worcestershire sauce and lemon juice.

Spread on lamb chops, steaks or hamburgers the last minute or two of broiling, suggests Diane Fistori, extension food specialist, North Carolina State University.
