Holy Week Will Be Observed

Holy Week for the Christian is a very special segment of the calendar for the Christian year because it portrays the last week of Jesus' life, highlighting the events that led up to his crucifixion. There is a wealth of vital thought and spiritual resource in this part of Jesus' last days.

The First United Methodist Church of Hertford is going to focus upon as much of this "vital thought and spiritual resource" as possible during the Holy Week

services, April 23-28 at 7 p.m. on Sunday and 7:30 p.m. each evening through the spoken word, drama, music, litany, testimony, holy communion and remembrance. On Sunday, April 23, Rev. Milton Mann will be the speaker. On Monday night, Rev. Norwood Jones, district superintendent, will be the speaker with Donald Downing, guest organist. Tuesday night, Rev. Francis Bradshaw of Elizabeth City will be the featured speaker, and Wednesday night will be a drama. Maundy Thursday

will consist of the Upper Room Communion. Finally, on Good Friday there will be the love feast.

The congregation cordially invites the public to worship with them during these Holy Week services. A nursery will be provided for preschool children and for little ones in the first and second grades. Set these days apart from your regular busy schedule and literally "give them to God" and allow him to speak to your needs as you worship with others from our church and community.

First Baptist Church News

Rev. J.H. London, Jr., Pastor of the First Baptist Church will preach from the subject "The Revealing of His Kingship", Luke 19:38. Music for this Palm Sunday will be by the Perquimans County Male Chorus, Mr. C. Paxton, Organist. Oh Come and let us worship the Lord together.

Hertford Pastor's Aid Club will celebrate their Anniversary Sunday afternoon at 2 p.m. The Rev. S.L. Lawrence and Congregation of New Bethel Baptist Church will be our guest for this program. The public is invited to share in this celebration.

HOLY WEEK SERVICE OBSERVANCE will begin

You Are Invited

To what am I invited, you ask. To one of the year's most important Memorial observance. The event being commemorated is the death of Jesus Christ, the Son of God.

Jehovah's Witnesses welcome you to join with them in the Memorial observance of Jesus' death, referred to in the Bible as the Lord's evening meal or supper. (1 Corinthians 11:20-26) Jesus died on Nisan

14, according to the sacred Jewish calendar then used. This year that date begins at sundown on Thursday, March 27. We will observe the Lord's evening meal on that date.

We warmly invite and encourage you to attend this event.

This will be at 7:30 p.m., at the Kingdom Hall, Highway 17 North, Edenton, North Carolina

PHARMACY COMMENTS

Poisonings: Are You Prepared?

Children are their names. Adventure's their game. They're sneaky "critters." Leave disinfectant within their reach, or fail to fasten your child-proof medicine top and presto, infant emergency!

Everyone agrees that Poison Prevention is a necessity around children. But in light of nearly 250,000 poisonings last year, the next best thing to prevention is emergency preparation.

Hope for the best, but prepare for the worst. In an emergency don't panic. Keep a one-ounce bottle of Syrup of Ipecac on hand - induce vomiting if needed. And call your pharmacist or doctor for exact instructions.

Keep a cool head, and like a Scout, "Be Prepared!"

Need A Garden?

Those persons interested in having a garden to assist in reducing food costs, are asked to contact the Perquimans E.I.C. Resource Center between the hours of 8:30 a.m. and 5 p.m.

There is a limited amount of seeds, fertilizer, and insecticide.

Please call 426-7868 or stop by the center to apply.

VISIT IN FLA.
Mr. and Mrs. Albert Williams, Jr. are visiting relatives in Florida.

FROM R.I.
Mr. and Mrs. Clay Kirby of Providence, R.I. are visiting relatives here during Mr. Kirby's Semester Break.

Attends Session

On Tuesday and Wednesday, March 18-19, Pat Harrell, assistant superintendent of Perquimans Schools, attended a training session for certificate evaluation of teachers of gifted students held in Kinston, N.C.

The purpose of the session was to provide training for identified local school personnel to assist them in evaluation competencies of teachers of gifted students in the local schools. No person attending the session evaluated teachers in their own school system.

Dr. Dorothy Cisk, a nationally recognized authority on teachers of gifted students, conducted the session.

Correction

The birth announcement in last week's paper for Mr. and Mrs. Stanley Huddins was incorrect. It should have read Mr. and Mrs. Stanley Huddins announce the birth of a daughter, Chasity Michelle, born Feb. 25 at Norfolk General Hospital. Mrs. Huddins is the former Bonnie Lowe of Hertford. Mr. David L. Lowe of Rt. 2, Hertford is the proud grandfather.
