FIRST WHITE EASTER
IN MEMORY VISITED UPON THIS SECTION:
"The Weather man pushed the wrong button, somebody said. That is was Easter Day, that it was the official beginning of Spring, trappings made not the least difference. Easter bonnets appeared...and disappeared before noon. Easter trips were clipped short, almost at the beginning, because traffic in these parts slowed to a cautious crawl. It was White Easter."

There was an invocation, a roll call, a reading and approval of the minutes, correspondence and treasurer's reports, and a discussion followed concerning our association joining the N.C. Association of Electrical Contractors for support with Eugene Boyce,

member of the Board of Directors, checking into the matter.

Motion was made and seconded that the April meeting be held on the second Tuesday due to the annual meeting on the North Carolina Electrical Institute being held on the first Tuesday. Devices were on display and catalogs and reading materials were given to all members of the association.

The President and Association expressed their thanks to Craven Electric and Robert W. Chapman Companies for arranging the program. The meeting was adjourned at 9:20 p.m.

Tax revisions to affect state

GREENSBORO — Federal tax law revisions passed in 1977 will affect most North Carolinians, the Internal Revenue Service says.

The old standard deduction has been replaced by the "zero bracket amount" and will be used by approximately 1.1 million taxpayers in the Tar Heel State. The maximum has been increased to \$2,200 for single persons, \$3,200 for married filing jointly and \$1,600 each for marrieds filing separately.

The new tax tables may be used by most North Carolina taxpayers. These tax tables now include personal exemptions, the "zero bracket amount" and the general tax credit, and none of these items have to be computed by the taxpayer.

Persons having moved their place of residence in 1977 may claim expenses if the move was 35 miles or further from their old address.

BECOMES EAGLE SCOUT — Darrin K. McCloskey, 14, an eighth grade student at Northside Junior High School, recently earned the Eagle Scout Award. He is a member of Troop 339 of Holy Trinity Church in Norfolk, Va. He is the son of Mr. and Mrs. Franklin E. McCloskey of Norfolk, Va. and the grandson of Mrs. Ben Thach and the late Mr. Thach of Hertford.

Letters From Our Readers:

Editor's Mailbag

Are you saved?

To The Editor:

We read in the Bible in the book of Acts these words: "And it shall come to pass in the last days, saith God, I will pour out my spirit upon all flesh..." This indicates that while wickedness is on the increase, at the same time, many today are turning to God for their personal salvation. Faith in God is the only answer to the problem we face today.

In order to be saved, admit that you are a sinner and be willing to turn from your sins (repent). Believe that Jesus died for you (on the cross) and rose from the dead. Then just call upon Him. "For whomsoever shall call upon the name of the Lord, shall be saved." Remember that God loves you and wants you to spend all eternity with Him.

After you are saved, read your Bible daily, pray and witness for God.

If you die without accepting Christ as your personal savior all is lost.

Do not delay this decision.

"Behold now is the accepted time, now is the day of salvation."

"Boast not thyself of tomorrow, for thou knowest not what a day may bring forth."

We read Rev. 3:10 in reference to the coming rapture of the church, "Because thou hast kept the work of my patience, I also will keep thee from the hour of temptation which shall come upon all the world, to try them that dwell upon the earth."

Today many of our world leaders seem incapable of rational thinking. Closer at home, one can readily see from the content of programs on T.V. and the headlines of our newspapers that we are very near this hour of temptation.

Be sure you are saved today.

Tax bug bites, again!

Taxes are due, again. I'll be happy to help with your pharmacy deductibles. Just come by before the deadline.

Deductible, only, are expenses for treatment (deemed medical) when your family's total bill (not covered by insurance) climbs above 3% of your adjusted gross income. If this confuses, come by, I'll explain.

Tax relief for preventive health measures, such as vitamin supplements, an exercise room, or a health club membership is still non-deductible. Yet, it is always best (and cheaper) to prevent illnesses than to have to regain lost health.

We pledge to serve you with consideration and courtesy and to save you money.
