Jason Williamson, Josie Wills, Rob Winslow, Catina Wood and Keith Wood. Chris Evans also made the AB honor roll for the second six weeks.

Perquimans to host quiz bowl

The Pettigrew Regional 1984 Quiz bowl has been set for Thursday, February 16, at 10:00 a.m. in Hertford at Perquimans High School Auditorium.

This is the 3rd year that the Pettigrew Region has participated.

Quiz bowl began in 1978 as an academic competition involving high schools in North Carolina. In the Quiz Bowl, local high schools, both public and private, compete for local, district and state championships.

Local and district bowls are run by local public library systems under the guidance of the N. C. State Library. Finals are administered by the State Library Quiz Bowl Com-

mittee which is made up of public librarians.

Quiz Bowl competition pits teams of four members each against each other in three rounds of questioning. In rounds one and two, each person on a team has five seconds to answer the questions which are put to him/her by the moderator.

In round three where consultation is allowed, the team has ten seconds to respond.

Quiz Bowl gives the local public library system a chance to interact with the community's students and teachers; cooperation between the public library and schools is fostered.

It also gives the academic achievers in our schools recognition that is often only accorded to student athletes.

It is exciting and challenging for these teams to have an opportunity to become the State Champions of North Carolina.

Creswell High School, Columbia High School, John A. Holmes, Plymouth High School and Perquimans High School have already chosen their teams and are preparing for the matches.

The public is invited; come out and support your local school. Root for the "Quiz Kids."

Riddick wins National Award

The United States Achievement Academy announced today that Lynnette Riddick has been named a 1984 United States National Award winner in Physical Education.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10 percent of all American high school students.

Riddick, who attends Perquimans High, was nominated for this National Award by Carolyn Rogers, a Physical Education teacher at the school.

Riddick will appear in the United States Achievement Academy Official Yearbook, published nationally.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy.

The criteria for selection are a student's academic performance,

interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability and recommendation from a teacher or director.

Riddick is the daughter of Faye Riddick and Willie Twine and the granddaughter of Mrs. Ethel Riddick of Winfall, and Mr. and Mrs. Lloyd Twine of Tyner.

NCSU Dean's list

Chancellor Bruce R. Poulton has announced that 2,298 students earned Dean's list honors during the fall semester at North Carolina State University.

Students from 96 North Carolina counties, 32 other states outside of North Carolina and 20 foreign countries were among the students to achieve the honor. NCSU's enrollment is more than 22,500.

To make the Dean's List, students

must earn an academic average of 3.25 or higher if they are carrying 15 or more hours, or 3.5 or better if they are carrying 12 to 14 hours.

Poulton made special note of the 430 students who achieved perfect 4.0 grade point averages for the semester. Of those, 387 were from North Carolina.

Among those receiving honors was Charles M. Bullard, formerly of Hertford, son of Mr. and Mrs. C. P. Bullard of Sophia.

Ferrell initiated

Karen Copeland Ferrell a 1974 graduate of Perquimans County High School and Junior Early Childhood Education major at Elizabeth City State University, was recently initiated into Kappa Delta Chapter of Kappa Delta Pi, a National Honor Society in Education on the campus.

Ferrell was invited to membership upon the basis of having an academic average of 3.86 and meeting other qualifications.

She is the daughter of Mrs. Margaret Copeland of Hertford, and resides at Route 2, Box 752, Elizabeth City.
