Hospital Nightingale service adds new helicopter

Nightingale, the emergency air ambulance service provided by Medical Center Hospitals of Norfolk, Virginia, has a new Bocal BO 105 helicopter.

With the capability of cruising at 145 mph, the aircraft can be at Chowan Hospital within 27 minutes of take-off. The new helicopter has increased safety features, which includes twin engines, a powerful search light, and high skid gear.

Space and equipment capabilities of the BO 105 are greater than with the original Nightingale, ensuring the ability

to easily transport and treat two patients during a single flight. Some of the additional internal space was created by an innovative feature of placing the oxygen tanks on the outside of the helicopter.

The flight crew consists of the pilot, a flight nurse, and a paramedic. All three have undergone rigorous training to become a part of this team. Area physicians indicate that they have been most impressed with the expertise of these crew members.

The request for transfer by Nightingale is initiated by the physician, when they feel the patient would benefit more greatly from air transport rather than the traditional ground method of transfer.

Since the original Nightingale made its first flight to Chowan Hospital in August 1982, there have been seven accident patients and 13 medical patients to be transported by this air ambulance service.

This service is an important

one for the smaller, rural hospitals with patients who require more sophisticated equipment and more intense care than available at the smaller facility.

The new Nightingale provides faster treatment for patients being transported from rural hospitals. Above, the nightingale of Chowan Hospital. (Photo courtesy of Chowan Hospital.)

Area obituaries

LOWE

Allen Edward Lowe, 55, a native of Perquimans County, died Friday in a hospital.

Mr. Lowe was a farmer.

Survivors include his mother, Lucy Cartwright Lowe; a sister, Rosa White; and three brothers, William Lowe, Harmon Lowe and Bruce Lowe, all of Hertford.

The funeral was conducted at 4:00 p.m., Sunday in Williford-Barham Funeral Home, Edenton, by the Rev. Gene Boyce. Burial will be in Cedarwood Cemetery.

HOLLOWELL

H. Thomas "Tommy" Hollowell, 73, a retired farmer and native of Chowan County,

died Friday in a hospital.

Mr. Hollowell was a member of Rocky Hock Baptist Church.

Survivors include his wife, Helen Eason Hollowell; two daughters, Jean Leary of Edenton and Judy Winslow of Belvidere; two sons, H. T. Hollowell, Jr., of Greensboro and Jimmy C. Hollowell of Florence, SC; two sisters Violet Rogerson of Kalamazoo, MI, and Martha Belle Lassiter of Suffolk; two brothers, Robert Hollowell of Tyner and Norvelle Hollowell of Edenton; nine grandchildren; and three great-grandchildren.

The funeral was conducted Sunday, at 2:00 p.m. in Williford-Barham Funeral Chapel, Edenton, by the Revs. Donald Wagner and Ralph Kelley. Burial was in Beaver Hill Cemetery.

Local Briefs

Sundeck provides therapy

Have you ever been shut-in with an illness? Remember how good it felt when you could finally go out of doors again, and felt the sunshine and fresh air?

Now patients at Albemarle Hospital can enjoy the benefits of fresh air and sunshine during their hospital stay. A deck just off the second floor's main corridor offers recovering patients a place to get away from the indoor confines of their room. Attractive, whether resistant

white and yellow deck furniture and sun umbrellas have just been added to the deck. These were donated by the Hospital Volunteers.

Second floor at Albemarle Hospital largely offers post-operative care calls for patients to be up and moving around, usually by the first day after surgery.

Many post operative patients can walk well enough to reach and enjoy the sun deck by the third day after surgery.

Salads for all courses

"Salads for all Courses" will be the topic of an area meeting and tasting tour sponsored by Perquimans County Extension Homemakers tonight, (Thursday, June 14) at 7:30 p.m. at the ARPDC (Albemarle Commission) Building.

Five salads will be featured including appetizer, garniture, accompaniment, main course, and dessert salads. Participants will get to sample salads like Hawaiian Chicken Salad, Strawberry Salad, Carrot-Raisin Pineapple Salad and others.

What could be more appealing and delightful than cool fresh salads for hot summer meals?

Salads are excellent for any menu all through the year because they are nutritious, inexpensive, and quick and easy to prepare.

They are especially good for spring and summer months for several reasons.

*Nutrients are at optimum

quantity in fresh, raw vegetables available during these seasons.

Nutritive value has not been sacrificed for processing or cooking.

*Certain fruits and vegetables for salad use are less expensive or available in the garden during these months.

*Salads that do not require cooking are best. Heat buildup is reduced when your range is not in use.

*Because they are quick and easy to prepare, you can have more time outside to enjoy the warmer weather.

Deciding on meal menus is often the most difficult task of meal preparation. It is easy to become a creature of habit, preparing the same menus day in and day out, week in and week out.

A variety of salad recipes can help you break this habit.

Plan to attend the program, "Salads for all Courses."

In the 1400s, people began to mount their shoes on separate wooden blocks to protect their footwear from mud and water. These were the forerunners of heeled shoes.
