U.S. Savings Bonds Now Paying 8.36%
U.S. Savings Bonds now pay market-based interest rates like money market accounts!
Hold your Savings Bonds for five years and you automatically get the market-based rates which change semi-annually, the first of May and November. Plus, you get a guaranteed return! You'll probably earn a lot more—but never less than 7½%.
With both money market rates and a guaranteed return, Savings Bonds make a great investment. And Bonds are still a great way to keep America strong.
Savings Bonds are easy to buy, too. Purchase them at most banks and savings and loans, or through the Payroll Savings Plan where you work. For more information, call toll-free 1-800-US-BONDS.
U.S. SAVINGS BONDS
Paying Better Than Ever
Market-based rates apply to Bonds purchased on and after 11/1/82 and held at least five years. Bonds purchased before 11/1/82 earn market-based rates when held beyond 10/31/87. Bonds held less than five years earn lower rates.
