Grade Four
Matthew LeRoy, Cha Masion Mallory, Heather Stallings, and Tyrone Adams.

Brown named award winner

The United States Achievement Academy announced today that Denise Brown has been named a United States National Award winner in Art.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10 percent of all American high school students.

Miss Brown who attends Perquimans County High School was nominated for this National Award by Deborah Coates an art teacher at Perquimans County High School. Miss Brown will appear in the United States Achievement Academy Official Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history."

Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and

aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Miss Brown is the daughter of Jean Brown of Hertford and Edward E. Brown, Jr. of Columbus, Ohio. The grandparents are Mr. and Mrs. Edward E. Brown of Plymouth, NC and Mr. Quincy Andrews of Rocky Mount, NC.

Conservation poster contest gets underway in schools

In the Albemarle Soil and Water Conservation District, the Soil and Water Conservation Committee in each county sponsor a conservation poster contest during the month of February in

the 4th, 5th and 6th grades.

Conservation booklets entitled "The Story of Land, Its Use and Misuse through the centuries" has been distributed to each student, also guides for her teachers

to be used during February as a unit of study.

Mrs. Grace Coston, a retired school teacher, better known to the students as the "Conservation Lady," is assisting the district supervisors again this year. Mrs. Coston, as she visited each classroom, delivered a conservation message. She stressed that conservation is a concern to each of us and should be taken seriously. Teaching your younger generation to become "caretakers" of our soil and other resources for a better land is a real challenge. Mrs. Coston explained the rules, poster materials and basis upon which all posters will be judged. She urged each student to do his best in representing his class and school.

The posters will be judged and a first and second place winner will be selected from each grade. These two posters will be entered in the District Contest which will be held the 26th of February at Angler's Cove Restaurant.

The District Contest is sponsored by Albemarle Electric Membership Corporation in cooperation with the Albemarle District Supervisors.

Union highlights

With the century being the time of space exploration and research, the tragedy of the Challenger space flight has hit Americans very hard. As a tribute to the crew of the Challenger Space Shuttle, Miss Talley's fifth and sixth grade class would like to share a poem they have written in remembrance of these great American heroes.

THE STAR REACHERS
We don't know why this terrible tragedy,
Happened to these courageous people.

The Challenger space flight was a dream,
For all of America.
The heroic crew of seven people,
Five men and two women—
Had a dream to explore the unknown world of space.
Risking their lives for our future.
We will forever remember
Scober, Smith,
McNair, Onizuka, Jarvis, Resnik
and McAuliffe
For reaching for "the stars."

POSTER CONTEST— Above Mrs. Grace Coston presents information on the Conservation Poster Contest to the students. (SCS Photo)

NOTICE OF PUBLIC HEARING

A Public Hearing will be held on Wednesday, February 26, 1986, at 7:00 pm in the Hertford Town Hall. This is the second and final public hearing on the Town of Hertford CDBG Economic Development Proposal, prior to its submission to the Department of Natural Resources and Community Development.

The purpose of this public hearing is for citizen review and comment of the prepared grant application.

All Hertford residents are invited to attend this public meeting.
