## **Burglar arrested Thursday**

A robber was apprehended last Thursday night at Chappell's Store in Winfall. The arrest came as the result of prompt co-operation and quick response of local law enforcement officers.

Officer Tim Spence of the Winfall and Hertford Police departments was working last Thursday in Winfall when he received a call from Sydney Sheldon of Sheldon's Mini Mart. Sheldon reported a suspicious person who appeared to be checking out his store, and other stores in the area.

After receiving the call Spence traveled to the area in his personal car to observe the individual, but found no reason to arrest the young man. He returned home. At approximately 11:20 p.m. that night the dispatcher called to report a robbery in progress at Chappell's Store.

Spence proceded to the scene and called for assistance at once. Winfall Police Chief Lothian, Police Chief Merritt, of Hertford, Officer Harvey, of Hertford, and Highway Patrolman Garriss all responded to the call.

The burglar, Grady Eugene Brinn, II, was arrested at the store. Brinn was still in the store when the officers arrived, and came out with no incident

## Open Door week observed

The Perquimans County Commissioners early this month approved a resolution declaring the week of Nov. 16 thru the 21st Open Door of Perquimans County week.

The Open Door of Perquimans County is an organization which is run primarily by local churches and volunters. It's purpose is to assist those in need of food, clothing, and money who are not eligible for assistance from other sources

The Open Door has recently moved all their operation to the ice plant at 305 W. Grubb Street in Hertford Located there are the intake office, the food pantry, and most recently the thrift store The intake office of the Open Door screens people who need financial and other assistance. Volunters man the office, and are available whenever needed. The Open Door is listed in the phone book, and messages are

checked and answered on a daily basis The ministers of the community who are involved with the Open Door first had the idea for Open Door Week

According to the Reverend Henry Bizzell of the Hertford United Methodist Church the ministers wanted to gain more publicity for the program, and solicit the county's support.

During the week volunteers will be other churches to spe siting about the Open Door and its' needs. A food drive is being conducted by Josh Boone for his Eagle Scout Badge.

## Perquimans County fire tax proposed Monday

Members of the six volunteer fire departments of the county gathered Monday evening at the commissioners meeting to request a county wide fire tax.

The group gathered in the hopes of gaining support from the commisioners for the tax which would help with

Approved by the board at Monday's meeting was the aquisition by C-4 media corporation of Albemarle Cable Television for the area. The new company hopes to provide better

the problem, and offer a solution if any is possible. A resolution honoring Winslow-Blanchard for 50 years of service was accepted by the board.

Also discussed at Monday's meeting was a proposed sub-division near Holiday Island, payment of election officials in the county, alternate office space for several county offices, and the heating and cooling system of the ARPDC building. Specifications are to be developed for a new heating and cooling systems for the building. Cost is not known at this time. Action will be taken on this issue at a future meeting.

Brinn, age 19, was slightly injured during the break-in. He was treated by Seymour Chappell of the rescue squad at the Hertford Police Department where he was processed.

Brinn is currently being held in the Albemarle District Jail under \$5,000.00 bond.

A probable cause hearing will be held November 26, 1986 in Perquimans County district court.

the costs of operating all the volunteer departments.

The group sighted many reasons for the tax. Rising cost of equipment and building upkeep have taken their toll on all of the departments. County fire fighters feel that people should be willing to help with much needed financial support, and they suggested that a 3 to 4 cents tax be imposed on

### eliminate taxing farm land, but would still provide additional financial support for the departments.

The board stated their support for the departments, and acknowledged their financial needs. After much discussion, the board decided to table the request until more work could be done. They plan to have a work session with the department chiefs in the and more service to the county. A representative stated that C-4 Media corporation will provide service to area with 20 homes per mile versus 30 homes homes per mile presently.

The commission also scheduled a public hearing to be held December 15, at 7 p.m. The hearing will cover the subject of Duckweed in the river. Several state officials including Da-
