Bennett College Dedicates New Chapel

The Annie Merner Pfeiffer Chapel, latest gift of Mrs. Henry Pfeiffer of New York City to Bennett College, Greensboro, N. C., was dedicated Sunday, November 2, in the presence of the three Negro bishops of The Methodist Church, distinguished white and colored representatives of educational and religious institutions, and outstanding figures in the field of race relations. In Founders Day ceremonies President David D. Jones, assisted by prominent trustees, conferred upon Mrs. Pfeiffer the honorary degree of Doctor of Humane Letters. Students presented a beautiful model of the new colonial chapel. Bennett College, one of America's two institutions of higher learning for Negro women, has been the beneficiary of the gift of several buildings from the late Henry Pfeiffer and his widow. Across the rear of the chapel, best approached through another entrance, is an attractive "Little Theatre."

Bennett Represented At Many National Meetings

Greensboro, N. C.—Bennett College was represented during the recent holidays at a number of national meetings and conventions which took place at widely-separated points in the country. Both student and faculty delegates from the institution participated in several scholastic and religious conferences before returning to the college after Christmas.

President David D. Jones reported on Monday at the sessions of the Association of American Colleges held January 2 in Baltimore, where he also attended on January 3-4 the conference sponsored by the National Committee on Education and Defense. President Jones was also a member of the committee studying Methodism's objectives in higher education, which gave a report at the meeting of the Association of Methodist Schools and Colleges held in Baltimore January 5-6.

Dr. R. Nathaniel Deit, head of the Bennett Music Department, traveled to the convention of the Music Teachers National Association in Minneapolis where he and one other delegate were the only representatives from Negro institutions. Bennett's registrar, Miss Willis B. Player, attended the meetings in Baltimore, and Dean Virginia L. Simmons was a resource leader at the second National Methodist Student Conference held at the University of Illinois, which Rev. F. A. Taylor of the faculty also attended as a faculty consultant.

Bennett students represented their college at two conferences. At the Methodist Student Conference in Illinois, Miss Natalie Helton, Jacobus Junior, of Bridgeport, presided at an afternoon session on December 20, and Miss Edith Whitman, also in Illinois, participated in several sessions. At the annual conference of the National Student Assembly held in Oxford, O., December 27-January 8,

Bennett To Be Hostess To Lincoln Thespians

Greensboro, N. C.—The dreary interlude of mid-year examinations, extending from January 28-30, will nevertheless have a happy ending for students at Bennett college next week-end, when 27 youthful actors from Lincoln University in Pennsylvania will visit the "Bennett" campus to present "Murder in the Cathedral" for their sister Thespians. In addition to offering two performances of T. S. Eliot's drama, "The visiting troupe are scheduled to be royally entertained by the Bennett Little Theatre Guild, which is sponsoring their appearance at the college.

Directed by Joseph Newton Hill and E. Waters Turpin, the Lincoln presentation of "Murder in the Cathedral" will be the second major performance in the recently completed Little Theatre building at Bennett, where, about a month ago, the Bennett Guild presented "Ladies in Retirement." The third major dramatic event of the year at the college will be the presentation on February 13-14 of three original Negro plays by Mrs. Ernestine Coles Robinson, head of the dramatics department.

For the benefit of Greensboro townspeople interested in the drama, the Lincoln players have been asked to give a matinee performance of their vehicle at 2:15 p. m. on Saturday, January 21, followed by an evening performance at 8:15 o'clock. On the social side, they are to be the guests of Bennett College at the annual mid-year party the night of January 30, and they will also be entertained at an informal party after their evening presentation on Saturday night.

Miss Rhucell Alexander, attended a meeting with Mrs. Ida Jones, Sunday, January 22, at Redsville, N. C. At the meeting Valentine portraits were presented to each member.

Bennett Students Raise Cash for Endowment

Greensboro, N. C.—Bennett students joined last Saturday in an enthusiastic rally marking the midpoint in their campaign to raise 500 dollars toward the endowment fund of the college by the end of January. A total of nearly 200 dollars in student contributions was reported at the rally, which began with a parade around the campus, and concluded with the singing of an adaptation of the British victory song, entitled "There'll Always Be a Bennett."

"For Bennett Tomorrow, Endow Today", submitted by the junior class, was the prize-winning slogan in a slogan contest, one of the main features of the rally, which also included a lively program of skits and college songs.

Although the Greensboro Drive for funds for the college was cancelled recently, so as not to interfere with local money-raising efforts in connection with national defense, students at Bennett are determined to carry their campus campaign to a successful conclusion. In addition to the rally last week, various plans are being worked out by the individual classes, so that the 500-dollar goal may be reached before January 31.

The student drive is part of the campaign launched by Bennett not long ago to raise \$300,000 to match a conditional grant of \$200,000 from the general education board. The college must raise \$300,000 in cash or subscriptions by June in order to secure the grant from the board.

Attends Meeting

Miss Rhucell Alexander, attended a meeting with Mrs. Ida Jones, Sunday, January 22, at Redsville, N. C. At the meeting Valentine portraits were presented to each member.
