

Aggies Trounce Virginia State Pugilists

Local Boys Win Four Out of Four Bouts; Raye Is Winner of His Bout.

Virginia State college boxers visited the A. and T. Aggies' camp recently but found the Aggie pugilists, who won four out of four bouts, to be very rough hosts.

In a preliminary attraction, the "Faculty Five" of A. and T. college defeated the "Faculty Five" of Winston-Salem Teachers college by a 39-33 margin. Archie Harris, world's discuss record holder, paced both sides with 18 points.

In the first bout, Raye, at 131 lbs., defeated Hinton, who tipped the scales at 137 lbs. Raye had too much science for the Stater. Webb, 145 lbs., continually staggered Stagers, 135 lbs., to get two knockdowns and a final decision. Brannon, 155 lbs., who was slightly ostentatious, mixed showmanship and pugilistic science enough to gain a decision over Nelly, 158 lbs. Dutch Clark, Aggie trainer, gave an exhibition with Fred Pitt of A. and T. and seemed to be a fit subject for Mike Jacob's stable.

The fun really started when big big Charles Lynn gave 203 lb. Kennedy of State a lesson in the art of fisticuffs. One of Lynn's granite crushers found the bull's eye in the second round and sent careful Kennedy sprawling on the canvas. This mass of flesh tried to get up and fight, but although the mind was willing the flesh could get no farther than Lynn's corner (where Lynn was not). The referee stopped the fight, and Lynn emerged victor by a TKO.

OVER MILLION OF GUILFORD TAX PAID

The office of D. L. Donnell, county tax collector, reported this week that latest available figures show that \$1,065,094.00 has been collected on the 1941 ad valorem levy compared with \$1,130,164.84 on the 1940 levy for the corresponding period.

Collections have been showing a steady gain since February 1, and it was predicted yesterday that payments will show even greater increases to avoid the 2 per cent penalty which becomes effective March 3. Payments made now are at par.

ARGENTINE WOOL

The United States imported more than 181,000,000 pounds of the 210,000,000 pounds of wool exported by Argentina between October 1, 1940, and March 31, 1941.

A. and T. Beat Smith Cagers Last Week

Game Is Played Before a Capacity Crowd In Local Gymnasium.

The A. and T. Aggies out-played and out-cussed the Johnson C. Smith cagers by a score of 54-36 before a capacity crowd, in a game that was thrilling from start to finish. In the A. and T. college gymnasium recently.

In a preliminary, the A. and T. Jayvees defeated the Smith Jayvees in a fast-moving and interesting tilt by a score of 36-28.

Joe Evans, consistently a good player the whole season, paced his team with 18 points and was followed by the sharp shooting Collins and "Big Tim" Armour with 10 points each.

The J. C. Smith Bulls, fresh from their recent victory over the N. C. State quint, who had previously defeated the Aggies, were all set for an easy victory, but found the razzle-dazzle style of the latter too much for them to fathom. The Aggies used a very speedy style that has led them to many victories this year. This was the second Aggie victory over J. C. Smith this year, the locals having defeated them at Charlotte a few weeks ago.

Many times during the game the spectators stood up to watch the Aggie cagers pass the ball almost too fast for the human eye to follow. At such times the Smith cagers were as much befuddled as the spectators. The keen rivalry existing between the two teams could be easily seen, in the hard fight which both put up. It could be also felt in the atmosphere as fans cheered for their favorite contestant.

Outstanding players for Smith were: Walker, Wescott, Fields and Jenkins, who played a cool defensive and offensive game for their team.

Shaw Basketball Team Entertained

Mr. and Mrs. B. A. Collier of 718 South Ashe street, entertained the Shaw basketball team on the evening of Saturday, February 22.

The team, along with the coach, enjoyed an evening of cards and a lovely repast.

Among the special friends present were: Misses Viola Boone, L. Lertina Huntley and C. L. McCollough.

Mr. Collier is a graduate of Shaw university and is now serving as commissioner of delinquent boys at Greensboro.

Aggies Romp To Victory Over Shaw

Coach Rollie Bernard Sent Every Member of His Squad Into Game.

The A. and T. Aggies romped to victory over the Shaw Bears here in the Aggie gymnasium recently and put to an end any Shaw dream of revenge for a previous defeat handed them by the Aggies this season, with a 57-36 margin.

The Aggies drew the first blood of the contest, but for a moment it seemed as if the game would be another nip and tuck affair with the Aggies on the short end of the scoring. With the score 7-6 in Shaw's favor, the locals jumped into the lead and constantly widened the margin. At half time the Aggies led 31-16.

Coach Rollie Bernard sent every member of his squad into the fray at one time or the other. Very little difference could be noticed in the playing of the substitutes and that of the first stringers as the entire Aggie squad seemed to be "on".

John Thomas, Aggie guard, repeatedly tossed the basketball through the enemies' loop with both speed and accuracy to ring up a total of 20 points which made him high scorer for the game. Thomas stated at the beginning of the year that he intended to give the veterans a fight for a varsity position, and now it seems that he has kept his word. He, without a doubt, paced the Aggies in both defensive and offensive play.

Estell Harper, Aggie forward, was the next high scorer with 13 points. The stellar Elliot of Shaw was next in line with 12 points. Elliot and Edmonds, of the Bears, turned in fine performances. Both of them frequently found the hole in the Aggie basket. Elliott's favorite set shot from the left side of the court worked perfectly.

TROUBLE IS WHAT WILLIE LEE HAS MOST

Willie Lee Davenport, Negro, 918 Curtis street, was being held in city jail this week after six warrants, one on a morals count and five for larceny, were lodged against him yesterday.

Willie's troubles started Saturday, when officers said they found an improvised repair shop, several whole bicycles and parts of others at his home in addition to tools used in repairing. They said painting equipment also was found.

Police said Willie was slow in explaining where he obtained the bicycles so was booked for investigation. Police expressed the opinion that the bicycles had been stolen and that parts were being switched and the bicycles painted to prevent identification.

Early this week Ralph Ogburn, 902 Johnson street, signed two warrants against Davenport charging him with larceny of two bicycles. Each was valued at \$10. Then, in walked Herbert Oliver, 511 South Eugene street, who identified one of the bicycles as his. He added another larceny warrant.

Quick on Oliver's heels came Joyce Rogers, 405½ Walker avenue, who claimed one of the bicycles as hers. She likewise contributed an additional larceny charge.

Police, not to be outdone, charged Willie and Annie Bell Johnson, also of 918 Curtis street, with fornication and adultery. And then up came Roddy Smith, 1214½ East Washington street, to identify still another bicycle and add the fifth larceny warrant to Willie's collection for the day. And police said he is being held for further investigation in regard to the parts. No date for trial had been set.

Nearly 2,500,000 tank cars, of 10,000-gallon capacity each, would be required to carry the total 1939 output of gasoline of the 485 American petroleum refineries, according to the census. Gasoline output in 1939 was over 24,000,000,000 gallons and a single train to carry it would be over 14,000 long.

LORENZO COLLINS.

Lorenzo Collins, star forward of the Aggies, has been an consistently good player the whole season. Collins has proved the spark plug in many of the Aggies victories.

A. and T. Boys In Army Are Honored

Program Sponsored By the College Y. W. C. A.; Service Flag Presented.

Recent students and faculty members of A. and T. college who are now seeing service in some branch of military service were honored last week with a "Service Flag" program which was held in Harrison auditorium. The program was sponsored by the college Y. W. C. A. under supervision of Dean V. F. Bell.

A service flag, made by Mary Lee Patterson, of the home economics department, was presented to President F. D. Bluford. In receiving the flag, he said, "Every loyal American should feel that this is his country, and that an attack on any part of it would be an attack on him." He advised prospective soldiers to go forth from "this institution" to battle with the same conduct which won for Negroes the respect of all nations in the first world war.

Heard on the program were: James Derr '42, organ solo, "America"; Edythe Payne, '45 scripture reading; Dean Bell, prayer; Marjorie Johnson, solo, and Prof. Charles G. Green, reading.

Hubert Gaskin read the following names of A. and T. men who were called to the colors: William Albright, Horace Bradshaw, Cornell Brumfield, Charles Cates, Thomas Carr, Henry Currie, Bethel Ferrell, Clarence Haith, Bruce Hargrove,

Mr. Hoskins Talks On Television

Lewis Hoskins, television engineer, explained and demonstrated the science of television last week at A. and T. college. The program was a part of the lyceum series. Prof. Warner Lawson, chairman of the lyceum committee, introduced the speaker.

Over a ton of apparatus was used in the demonstration, and the engineer explained the processes of television in terms which were easily comprehensible. Students acted as subjects for television make-up and televising.

Hoskins said that television is closely related to telephotography. Hoskins spoke of the important role that television torpedoes might play in the war in the sinking of enemy ships.

Russell Harris (army air corps), Louis Hazzard, Benjamin Helme, John Hilliard, Earl Holland, James Hutchinson, Sandy Johnson, Jeremiah King (faculty), William King, Edward Klutz, George Lima (army air corps), William Lockette, William McManus, Gurnee McNair, Clement Meadows, Sandy Meadows, Daniel Miller, Edwin Moore, Joseph Moss, Gordon Motes, Edward Nance, Cleveland Peterson, Ray Purnell, Harold Rogers, William Ruffin, James Samuels, Benjamin Scott, Ralph Simmons, Edward Smith, Alexander Smith, Graham Smith (army air corps), Clyde Stanley, James Wiggins, John Winston, John Withers (faculty), Charles W. Hopkins, and Sam Bruce (army air corps).

ARTHUR GOODEN.

Arthur Gooden, Aggie guard, has been improving in every game. Gooden is one of the fastest men on the Aggie team and his shooting and passing has proved valuable to the team in many of its encounters.
