## Sunday School Lesson

(Continued from Page 3)

quirements tend toward legalism? If so, what are they? Do we put up other barriers, whether intentionally or unconsciously? What can we do toward removing such barriers?

Our Father, forgive us when we try to restrict membership in thy church, forgetting that if such exclusiveness had prevailed in the early church, we ourselves would never have heard the good news. Remind us always that the church is thine, not ours. In the name of Christ, our Lord, we pray. Amen.
