(Observations in and about K. M. HI—Sports Comment)

The curtain came down on the current H. S. baseball season with a bang Monday when the Mountaineers invaded Shelby for the grand finale. The Shelby boys won the game, but, then, they had two good umpires. The final score was 6 to 3 with Goforth giving up 4 hits (not counting the foul triple) and the boys taking Shelby's ace hurler for 6. Jones was high biter with 2 for 4, one of them a home run over the right field fence. This game put the Mountaineers at the halfway mark for the season with 5 wins and 5 losses.

Monday was also the last day for Coach Moss, who has accepted a position with an Accounting firm in Charlotte. We are all sorry to see Coach Moss leave, and wish him the best of luck in his new position. We certainly hope that those with whom he does business are fairer than some of the baseball umpires he's met as a coach.

tion to the fact that a tennis club will be formed within the very near future. The boys have been working on the school courts and top soiling them this week. Anyone interested in tennis should see Jack Fortune, Skippy Stowe or Mr. Fred Plonk. Spreading it on thick: Doc Campbell is a popular guy in Shelby. The girls gave him a rousing cheer at the game Monday. We'll bet that a Smith gal had something to do with that. What's this about Bob Allran and Gogie? More

The bakery is still a popular place at Shelby. ?! ... Aside to Miss Morris: Just to prove that I am a pal, I won't mention that little Friday night incident. You know about you being at the show with a handsome young fellow. And the inconvenience which the rain caused. And now I expect I'd better leave town 'til a few people cool off and forget. ....
