TOM AND GEORGE

George: "Tom you know that I am a crossword puzzle enthusiast. I came across a 10 letter word the other day meaning 'a hold-up,' and I haven't yet figured it out. Do you know what it could be? 'Couldn't it be 'suspenders?' You'll not be 'held up' if you come to us for your furniture needs, for we treat the other fellow as we'd wish to be treated if our positions were reversed."

QUESTION BOX

What's the Answer?
 By EDWARD FINCH

WHERE DID THE NAME "YANKEE" ORIGINATE?
 WHEN the Colonists invaded America the red man, unable to pronounce the word "English," called the hated pale skins "Yankees." During the Revolutionary war the British put the word to use as a term of derision for the colonists and, similarly, during the Civil war, it was adopted and used in its present usage as a nickname for the northerners.
