"Mystery of Motherhood Coming Back to Dixie"

The most talked of picture of several months, "The Mystery of Motherhood," returns to the Dixie Theatre Thursday of this week for one day only. Mr. D. E. Cash, manager of the theatre, reports that there have been many requests for a return engagement, and he is bringing it back because of this.  
 This picture has received much attention in many cities because of its purely educational values. The picture is not "sexy" and reveals only true facts. Although much notoriety is given many pictures of this calibre because of suggestiveness, this one has received much newspaper publicity because of its true and revealing facts, and they way in which they are treated. It has been said of the picture that "Every adult should see it." Children will not be admitted.
