MOUNTAINERS DROP TO NEWTON IN EXTRA PERIOD PLOTTING

The Mountaineers boys team finally came out of their slump Tuesday night, defeating the tough Newton Red Devils in the regular game, but losing 17 to 19 in the three minute extra period necessitated by the tie. The game, the hottest the home team has played this season, was a total surprise to fans, who had a best guess up hope for them.

Moose, Newton star broke up the game after a minute and a half of the proposed three minute period but missed, with a beautiful long shot. Olive came within inches of scoring and winning the game for the locals only seconds before. Moore and Flinger were outstanding for the two teams.

The girls lost to the visitors 25 to 17. The scores of the games indicate that Friday night's game with Shelby should be a different story from what it was when the two teams last met. The Newton team has beaten Shelby once by a large score.

LIONS PLAY LENOIR-RHYNE COLLEGE

Tonight, February 23, the Kings Mountain Lions Club plays Lenoir-Rhyme College in the High School Gym at 8:00 o'clock.

The profits from this game go to the High School Athletic fund for the purpose of buying uniforms for the base ball team.

The Lions Club, continuing their policy of providing the local sport fans with an opportunity to see the best basketball teams available succeeded in getting the Collegians to play.

SPORTS OBSERVATIONS

By M. A. R.

To those of you who missed the High School game Tuesday night, you really missed the opportunity of seeing our team show the most fight and resourcefulness shown at a high school game this year.

The Lions Club team is really stepping out in fast company tonight. Don't miss this one! These Collegians are really hot.

As the weeks hurry by the time for basketball grows shorter and shorter bringing the big tournament to us some this week, others next week.

It's almost impossible! One should never do it! So I am told to try to predict the winner of a basketball tournament, but here goes! To win the Junior College basketball tournament being held in Gastonia, starting today, Belmont Abbey, Jr. College.

As to our selection for the Southern Conference, probably by next week we will have made us our minds.

KRITICAL MOMENTS AND

HOWLARIOUS SCOOPS

(By The Tattlers)

Hello. Thank you, I believe I will sit down. Oh, I just came by to gossip a little. Yeah, an old maid complex. Its just scandalous, the way some of these young people are doing nowadays. Just think, Colleen dated Buddy Huffman Saturday and Sunday nights both. But we hear that she chased him off at ten in favor of Eppie. Local boy makes good, eh.

And what about Dot Harmon writing Phyllis a letter to ask her if its alright for Clemonsee to date a certain popular young lady. She says that Phyllis said that it was alright with her, and its alright with Dot, so now the gal in question says she will go with Boone to the dance if its alright with him.

Doris White is wearing a Shelby ring. Now that's scandalous. She can't do it its not patriotic.

Charles Campbell and Gofy both dated Doris Huffman while she was in town. The Huffmans seem to be popular folk.

Lawrence Patrick finally broke down and dated Frances Crouse the other night. A new romance?

This guy Moose not only breaks up a ball game for Coach Little, but he breaks in on Coach's dances with Gloria. But then, how can he resist Gloria?

Come up close, we'll have to whisper this. Someone made the statement that Wright had it bad, meaning the Gaston Fever. But it wasn't an hour later that we heard someone else say that they believed he was beginning to favor Cyclone Smith again.

Goodness no, I can't stay any longer. I simply must go. Don't tell anyone who told you this stuff. Goodbye.
