Lions Play C. D. A.

Tonight at 8:15 the Kings Mountain Lions Club tangles with C. D. A. of Gastonia in what should be one of the most interesting games played this year.

The C. D. A. team is the only one which has defeated the locals in the league during the last half play. This was a very bitterly contested game and according to the majority of fans the game ended in a tie but due to some mixup in the keeping of scores, the game was awarded to C. D. A. This caused quite a stir locally and in Gastonia, too; so tonight's game should be most interesting. The Lions will be trying their best to show everyone that they should have been the victors and C. D. A. will be equally as anxious to show their supporters that they were the rightful winners.

KRITICAL MOMENTS AND HOWLARIOUS SCOOPS
(By The Tattlers)

Absolutely no gossip this week. Oh yes, found some in my pocket. Lets see, what does this say. Can't you write a little plainer, B. L. N. Ah, got it. Dan dated Dot Sunday night. Bob Allran dated "Cyclone"—and the breeze goes woowooo. Fred and Helen driving Charles A. and Vivian around. Deah, deah. Now what? I'm plumb out of gossip.

Just remembered, R. G. and Jackie G. rambling around Sunday night and wishing that certain other guys in town would hurry and graduate and go off to school, so that they could get a break with the girls. They may have something there.

Note to Marie: M: Love of My Life, how will I say it? Aw heck, lets just keep it quiet. Signed "George"

Congratulations to Mary Evelyn for winning the contest. And to Jack for her swell performance. And to Col. too, we suppose.

Poises to the boys' basketball team for winning a game, and to the girls for the games they won. Any more? Well, good by folks, be seema' you.

Sport Observations

(By M. A. R.)

If you like a hard fought, well played game, don't miss the Lions-C. D. A. game tonight. Incidentally, we would like to urge both teams to play their best brand of ball and forget about the unpleasantness which occurred over the outcome of their last league game.

Congratulations to our high school coaches, even though their teams failed to win their share of games, everyone whom I have come into contact is well pleased, and of the opinion that the teams showed improvement from game to game as the season progressed.

One of the greatest assets of a good sport is to be able to give your best, even though you are losing. This virtue was demonstrated by both of our teams in some of their lost games. We hope that those remaining, after this year, will not forget the lessons so patiently taught by their coaches, and as the next season around, begins at the very first of the season putting every thing they have into the game, win lose or draw.

I really put myself on the spot by promising to attempt to select the winner of the Southern Conference Tournament. This year there is to be eleven teams other than the customary eight, which makes the task even more difficult. The luck of the draw has thrown teams together for the opening games on Wednesday night and Thursday which in my opinion are very likely to be the deciding factors in the tournament. The winner of the Carolina-Wake Forest game in the upper bracket and the winner of the N. C. State-Duke game in the lower bracket should be the finalists. Take your choice, as for me, out of the hat. Duke University to repeat their victory of last year and remain conference champion.

Miss Roberts Contest Winner

Mrs. Ethel Roberts has been declared winner of the miss-spelled word contest sponsored by the Kings Mountain Drug Co. in conjunction with the Rexall February Birthday Sale. A beautiful 45 piece set of aluminum ware goes to Miss Roberts. Messrs. Don Blanton and Johnnie McGill were well pleased with the interest taken in the contest.

More About "Bone Dry Law"

(Cont'd from front page)

Cleveland county's greatness, the high standard of her citizenship, and her marvelous financial growth and development, is the fact that the people of the county have in the past largely stood together as a unit. Citizens of the different towns and of the country and of every occupation and profession have in the past worked with remarkable harmony to make Cleveland county great. If we continue in the future to develop a still finer citizenship and a more prosperous county, we must follow that same spirit of cooperation and unity. There is no other road that leads to success.

It has been suggested that the following bill to prohibit "bootlegging" in Cleveland county is such as will meet the approval of the vast majority of our citizens. I, as your Representative, would appreciate any advice you care to give me on the subject.

O. M. MULL.

A Bill To Be Entitled "An Act To Prohibit 'Bootlegging' in Cleveland County."

The General Assembly of North Carolina do enact:

Section 1. That it shall be unlawful for any person, firm or corporation to manufacture, possess, transport, sell or offer for sale any spirituous liquors in Cleveland county for the purpose of sale, and the possession of more than one quart of such spirituous liquors by any person during any one calendar month shall be presumed to be for the purpose of sale, and shall be prima facie evidence of the violation of this section; and upon conviction such party shall be guilty of a misdemeanor and fined and/or imprisoned in the discretion of the Court.

Section 2. That the sale of fermented and/or intoxicating wines is hereby prohibited in Cleveland county, and any one violating this section shall be guilty of a misdemeanor, and upon conviction fined and/or imprisoned in the discretion of the Court.

Section 3. That it shall be unlawful for any person, firm or corporation, to sell as a beverage or for beverage purposes any intoxicating Beer, Rum or other intoxicating extract or liquid of whatever name known, and the sale of more than one pint of such intoxicating liquid to any one person during any one calendar month shall be presumed to be a sale for beverage purposes, and proof thereof shall be prima facie evidence of a violation of this section, and upon conviction such party shall be guilty of a misdemeanor and fined and/or imprisoned in the discretion of the Court.

Section 4. That this act shall not apply to beer of the analysis and quality prescribed by the general law of this state except that it shall be unlawful to sell any beer in Cleveland county on Sunday, and any one violating the provisions of this section shall be guilty of a misdemeanor, and upon conviction fined and/or imprisoned in the discretion of the Court.

Section 5. That section 2 of this act shall be in full force and effect on and after May 1, 1939, and in all other respects this act shall be in full force and effect from and after its ratification.

A TELEPHONE MAN
Here, There, or Anywhere

FLOODS, in the Ohio River valley. Hurricanes, in New England. Cyclones—fire—anywhere. And as soon as the disaster occurs you know that skilled telephone men will be pouring in to reestablish your vital telephone service. Because of Bell System standards, a good telephone man is good anywhere. He works with Bell standardized methods and tools, on standard equipment and apparatus, with which he is familiar on his daily job.

That is why, wherever there is a telephone job to do, he is prepared to work with maximum speed and efficiency, backed by all the experience and resources of an organization six decades strong in service. And though research will continue to change the telephone system, unchanged will be the fundamental American ideal of the telephone man, that you know as "The Spirit of Service."
