TOM AND GEORGE

George: "The Judge asked my neighbor why he was there and he said that it was because he was driving too slow." Tom: "Too slow, did you say?" George: "Yes, the motor cop caught up with him. We are not a cow when we say that we are doing business in a way that our customers won't have to apologize if they speak a good word for us."

heard a wagon coming down the road behind me but didn't turn around to see who it was so I was a little surprised when the mule came to a halt before me. Glancing up I saw that it was Mr. Brown. (I mean the driver was Mr. B. not the mule!) "You must be looking for a letter," he remarked. Then without giving me a chance to answer he asked, "Say, are you the one that writes for the paper?" I rather hesitantly admitted that I was, while I thought "Now, what have I said that he did not like."

"Well, he said, 'Mrs. Moore's girl—what's her name? Eva? Well her and a Wright girl (was that you, Reba?) came to see my wife one day last week. They were on their wheels and after they left our place they went way up in the country to the old Wolfe place. You write up a good story about them, will you? Then he started on to town calling back to remind me that the girls had made the trip on their wheels. Wheels in case you didn't know, is what the older folks call bicycles. With so few facts I can't write a good story Mr. B. Sorry. Bet the girls had a good time though."

Measles are still keeping lots out of school. When one gets over them somebody else takes them. Hope you all will be back in school before long.

Myrtle and Frances Jane are visitors in this section.

Miss Mildred Ledford visited friends here Sunday.

Mrs. John Carroll and son, George spent Friday night with Mr. and Mrs. S. S. Bridges of the city lake.

That's all for this week. Nothing interesting or unusual to write about. Sorry. Hope to do better by 'n.
