REV. H. W. HAWKINS, of Penns Grove, N. J., who will conduct a series of meetings at the Wesleyan Methodist Church beginning Sunday, April 30th.

Revival Meeting At Wesleyan Church

The Wesleyan Methodist church, known as "the little brick church on Waco Road," will begin a revival meeting Sunday, April 30th. It will be of interest to many people through the area.

have secured Rev. H. W. Hawkins of Penns Grove, N. J., for this meeting, which last three full weeks. Rev. Hawkins was the founder of the local Wesleyan Methodist church more than forty years ago. Hundreds of people who knew him then have passed on, but brother Hawkins remains strong and active. Let nothing keep you away from this meeting. The singing will be done by the people of Kings Mountain. That means you are invited to help in the singing. We expect to use the old songs that meant so much to the great revivals of many years ago. Beginning with the Wednesday night prayer meeting, there will be a prayer band meeting in the church each evening this week at 7:00 o'clock. If you want to see a revival meet with us.

Mountaineers Thrash Red Devils

The Mountaineers hit their stride and came out of their slump to defeat Newton here last Friday, 7 to 1 in a seven inning tilt. The locals took advantage of an error on Harri so, a walk, and two well-placed hits to roll up four tallies in the first, and three consecutive hits, the last a home run by Ballard, in the fourth for their other three.

Goforth was on the mound for the victors, with Moose beginning for the Red Devils. The latter retired in favor of Fowler in the fourth. Plonk and Clark were the other half of the batteries.

The losers scored their lone marker in the final inning when Goforth allowed them two of their hits. He later retired the side by fanning two of the hitters and catching a pop fly for the other.

High hitters were Plonk and Goforth for Kings Mountain, with two for four each, and Sigmon and Gilbert for Newton, with one for three each.

Tuesday's game with Forest City was postponed because of unfavorable weather. This Friday the Mountaineers invade Marion.

C., who is County Chairman for this county will render all assistance necessary to expedite applications, and will furnish the names of the physicians who have volunteered to examine applicants free of charge.
