Your Active Interest In Your Baby's Behalf Will Insure Publishing the Baby's Picture. Active Reporting Coupons and Herald Subscriptions. The Parents of the Babies on this Week's Honor Roll are expected to report at least one "club" \$15 worth of Subscriptions. One Club is Really Small, FIVE of them would Send Your Baby Flying Along the road to Success — toward the ultimate goal of winning \$200 and Cup. What YOU do This Week is going to have a Mighty Important Bearing on what Prize your Baby Will Win. Remember, Coupons and Subscriptions are Worth Three Times, as much This Week Compared with the last week of The Derby.

Awards Given To A Number of Beth-Ware 4-H Girls

The Beth-Ware 4-H Club held its regular meeting Thursday morning, Feb. 15, in the High School auditorium.

After the club pledge and the roll call, two songs, "The 4-H Hymn" and "Home in the Pines," were sung. Two members gave a conversation on "Wild Life." Miss Sutton and Mr. Thornton, our agents, gave a talk about "How to Help and Conserve our Birds."

Merchants of Kings Mountain gave awards to 4-H girls making the best record in the different projects for 1939. Belk's Department Store gave material for a dress to Euzella McSwain, who had the best record in clothing; Keeter's Department

Store gave material for a dress to Carrie Yarboro for the best canning record; Plonk Brothers Store gave material for a dress to Euzella McSwain for the best records; Phifer Hardware Store gave a pyrex dish to Annie Pearl Wright for the best record in cooking; Bridges and Hamrick Hardware store gave a waste basket to Pratt Dover (Mrs. Robert Howell) for the best record in room improvement.

Farm Questions

Q.—Should sweet potato plants be treated before planting in the field?

A.—Where the soils are infected with stem rot or wilt organisms, the stems and roots should be dipped in a 20-20-50 Bordeaux mixture or dusted with a mixture composed of 25 per cent monohydrated copper sulfate and 75 percent lime just before planting. The scurf infected roots and stems should be treated with ground sulphur immediately before transplanting. Treated plants must be transplanted in moist but not water logged soil.

Q.—What is the proper temperature for a brooder house?

A.—For the first week, after chicks are placed in the brooder, the temperature should be regulated to 98 degrees at the outer edge of the coop and on a level with the chicks' heads. This temperature is lowered five degrees each week until the sixth week, but care should be exercised to avoid running the brooder at a sub normal temperature. Where brick or rock brooders are used a room temperature of 70 to 75 degrees is sufficient.

CARD OF THANKS

We wish to thank our many friends and neighbors for the beautiful floral offering and the kindness rendered us during the illness and death of our beloved husband and father.

6 "EXTRA" HELPS quickly relieve DISTRESS OF CHILDREN'S COUGHS due TO COLDS

DON'T "take chances" with unknown products to relieve discomfort of your child's spasmodic croupy coughs caused by colds. Use "Children's" Muterole! Muterole gives such QUICK relief because it's not just an ordinary salve. Rub it well on your kiddie's chest, throat and back. It soothes and stimulates surface circulation and helps break up local congestion and pain. Its soothing vapors ease breathing. 40¢. Approved by Good Housekeeping Bureau.

PLAY AT BETHWARE

"Aunt Susie Shoots the Works," a mystery farce, in three acts, will be presented at the Beth-Ware high school auditorium Saturday night, February 24th at 8 p. m. Admission 10c and 20c.

This play is being directed by S. L. Coon and is produced by the High School Dramatic Club. Don't forget the date! Be sure to come and tell all your friends to be on hand for an evening of fun when "Aunt Susie Shoots The Works."

MORE ABOUT BABY DERBY

A CORRECTION

The Herald wishes to call attention to, and correct an error which appeared in an add and in the columns of the Herald last week. The error was in the announcement of the Dixie Grill, and stated that Bill Craig was one of the proprietors of the grill. The name should have been Grigg, not Craig. Bill Craig is an insurance agent.
