THIS 'N THAT

By Alice Burton
Patterson Grove Section

April 29. — Patterson school closes this week with exercises by the pupils on Thursday night, May 2nd, beginning at 8 o'clock.
 Three plays will be presented. The Land O' Slowpokes, by the first and second grades; How Bobby Put It Over, by the fourth and fifth grades and, What's In A Name, by the sixth and seventh grades.
 There will also be several songs by the school and music by the Mountaineers and the Lions quartet, both of Kings Mountain, is an attractive feature.
 The medal which the Victory Gin Co. awards to the best-all-around pupil each year, will also be presented that night.
 The public is cordially invited to attend these exercises. Admission will be ten and twenty cents.
 Mrs. Joe Hamrick and Miss Willodene Thornburg were hostesses at a household shower given in honor of Mrs. James Thornburg, a recent bride, Saturday.
 A large number were present and the honoree received many useful and pretty gifts.
 After all the gifts had been displayed the hostesses served cake and ice cream as refreshments.
 Another enjoyable event that you

haven't read about, was the birthday dinner given April 7, at the home of Mr. and Mrs. Bill Sellars, in honor of Mrs. Sellars' and Mrs. Price Harmon's birthday.
 Mr. and Mrs. Lloyd Phifer and Miss Ollie Mae Scism were visitors in Lincolnton last Wednesday.
 Mr. and Mrs. Harvey Bridges had as their Saturday night guests, the former's sister, Miss Bonnie Bridges.
 Mr. and Mrs. Bonnie Burton of Charlotte and Mr. and Mrs. Forrest Weaver were visitors of the R. M. Burton's Sunday afternoon.
 Miss Minnie Humphries spent Saturday night with Miss Ruth Capps.
 Miss Maggie Lee Carroll spent week before last with her sister, Mrs. Sidney Mason and Mr. Mason of Ware Shoals, S. C.
 Mr. and Mrs. Ralph Allen of Shelby were recent Sunday dinner guests of Mr. and Mrs. Everette Loveace.
 Mrs. J. D. Goforth has been sick. Several from this section attended the singing convention at Macedonia Baptist Church Sunday. According to Mr. Price Harmon, who was among those from this section present, they "shore did have some fine singing."
BETWEEN THE DOTS: Everybody is planting cotton seed and corn or getting ready to The woods are beautiful now with dogwood, honey-suckle, sweet shrubs etc., in bloom Found — a boy who doesn't like ice cream! He's Charlie Scism, small son of Mr. and Mrs. Thurman Scism Every-

who wants to be able to answer all the questions in the next census had better get a note book and begin preparing for it On second thought that would probably be a waste of time and money since most of them are about things nobody tries to remember Don't forget about the play at Patterson Grove. It will be the night after you read this (if you do!) Those of you who have been to their entertainments know how good they are and I don't think those who haven't will be badly disappointed, because what they lack in equipment, they make up in enthusiasm!
