ONE MILLIONTH 1940 CHEVROLET

Some conception of the demand for the 1940 Chevrolet may be gained from the fact that the one-millionth model of this year's production left the assembly line at Flint, Mich., on July 12. In celebration of the public appreciation reflected by this tremendous production record, M. E. Coyle, general manager of Chevrolet, shown (left) above with W. E. Holler, general sales manager, announced that the one-millionth 1940 car, together with a trip to the New York World's Fair, would be awarded in a contest which is open now and will close Aug. 31. Details are obtainable at any of the company's dealers.
