

Mountaineers In 19 to 0 Over Bessemer City

Third Straight Win

(By Manly Moorhead)
The Mountaineers remained in the undefeated ranks by blasting Bessemer City here 19-0 last Friday afternoon for the third victory. Allen and Gibson star.

George Allen held the spotlight during the entire game and led the local eleven in scoring. He was responsible for two touchdowns. Gibson also played fine ball, scoring the remaining points.

Kings Mountain scored in the first quarter when a five-yard penalty put the ball on the one-yard line. Allen went off tackle for the score. Gibson swept around end for the extra point.

Band Thrills Spectators

The Kings Mountain School Band put on a fascinating drill during the half. It featured K. M. and B. C. formations which brought the spectators to their feet. Mrs. Hayne Blackmer, one of the numerous admirers of the band, in commenting on the drill was heard to say: "The band surely adds to our football games. I think it is simply marvelous the way in which they go thru the maneuvers they do without getting confused. Really, the drill today was as good as anything I've ever seen at college games including the Duke-Tennessee game played last week.

Thank for the bouquet, Mrs. Blackmer!

Second Period

In the third quarter Allen took a punt on his own 15-yard line and ran it 85 yards for a touchdown. This was the most thrilling and the most spectacular play of the afternoon. Upon being congratulated after the game, Allen remarked, "Well, I want the entire team to share honors with me on that score. They did some excellent blocking and Womack simply killed the last man. It was easy-going with such cooperation."

Gibson scored the last touchdown from the one-foot line on a line buck.

Second Stringers Play

Near the end of the game, Coach

Fanning entered his second stringers. Evidently they have worked up some of the "good ole K. M. fighting spirit," too, while sitting on the bench, as they drew a 10-yard penalty for unnecessary roughness on the first play after they entered the game. But they played bang up football and against them the opponents still lacked the punch to score.

This Week's Tilt

The Mountaineers are now concentrating their efforts on defeating the Cherryville High School this week.

The Cherrys are going to be stiff competition for the Conference Championship. Most likely the Mountaineers will not encounter tougher opposition this season.

But the Kings Mountain team is in good physical condition with the exception of Willis who suffered a knee injury in Friday's game.

The game will be played on a neutral field, taking place in Shelby Friday night at 8 o'clock in the Shelby High School Stadium. A large number of local fans is expected to go over to encourage the Mountaineers.

K. M. "B" Team Wins Over Shelby 19-0

(By Manly Moorhead)
Coach "Red" Smart's classy B team defeated the B players of Shelby High School in Shelby last Thursday to the tune of 19-0. This was their initial game this season, and they, like the varsity players, are to be congratulated on their excellent showing.

The game last Thursday was attended by approximately 80 spectators. The Shelby Band added color and excitement.

The outstanding players for K. M. were Paul Hamm and Calvin Payne. Hamm scored two touchdowns for the winners, Payne scored a touchdown when he blocked a kick. Howard Proctor converted the extra point.

While the prices of some "luxury foods have risen because of the war, the prices of butter, eggs, bread, milk, potatoes, and other staples are either the same as a year ago or slightly less.

Blocking - Back

GEORGE WOMACK

One of the unsung heroes of the Mountaineers for the last two years is George Womack. He plays blocking back and has set the stage for many a long run. He is a senior letterman and a good pass receiver. In addition to football, Womack played some basketball last season and is expected to see more action this year. He is also a good shortstop on the diamond.

Womack is popular with the faculty, the student body and his team mates. He is the son of Mr. and Mrs. George Womack, Sr.

Lions Have Interesting Meeting

Program Chairmen Billy Mauney and Proctor Thompson furnished a very interesting program to members of the Lions Club at their meeting Tuesday evening in the Womans Club building. A male quartette, composed of Charlie Warlick, Cletus Blackwell, Lawrence Ledford, and Proctor Thompson, rendered several selections which were greatly enjoyed by club members.

Souvenirs of the Cleveland County Centennial were distributed by Billy Mauney. Member took part in a contest to see who could list the most number of businesses and professions in Kings Mountain. Haywood E. Lynch won first prize of \$1.00 for his list of 80, Tom Fulton was second with 62 and A. E. Smart was third with 58.

Washington, Oct. 15.—A \$200 salary monthly has been set up by the Wage-Hour Administration as one of the yardsticks in revised regulations governing the exemption of executive, administrative, professional, retail trade and outside sales employees from the hours restrictions of the Labor Standards Law.

More people are killed and injured on Saturday than on any other day of the week.

Saves Time and Money Well Planned Storage

A sound investment of time and money, says Pauline Gordon, extension home management specialist of State College, is a well planned storage space for canned foods.

In a newly published folder now available from the college, it is pointed out that every farm home can have adequate storage space for food with but little work and expense.

Not only is it possible to reduce the cost of meats by using home-grown and home-conserved foods, but the satisfaction of having a good supply and variety on hand at all times means much to the homemaker. Miss Gordon said she knew many families depend on well balanced meals.

Actually, there are four good reasons for having plenty of storage space. First, it provides an adequate place for conserved products, sufficient in quantity to meet budget requirements. Second, it allows products to be arranged for convenience according to their food value.

Third, well planned storage improves the quality and variety of canned meats and of jellies, preserves, and pickles. Fourth, it improves the quality and care of dried, brined, and stored products.

The folder explains proper location of storage space, the actual construction, putting the food away, and the space arrangement. Three illustrations, with dimensions, show plainly how the cabinets and shelves may be built to conserve a maximum of space.

Specialists of the Home Demonstration Department at State College, in cooperation with the Agricultural Engineering Department, prepared the new folder. Copies may be obtained without charge by writing to the Agricultural Editor at State College and asking for Extension Folder No. 47—Storage For Canned Foods.

New York, Oct. 15.—James J. (Jimmy) Hines clicked brassie shots off the turf at Long Island golf course today and declared he never felt better in his life.

It was the last day of freedom for the former Tammany district leader before he surrenders tomorrow to begin serving a four to eight year sentence in Sing Sing prison for protecting the late Dutch Schultz's policy racket.

New York, Oct. 15.—The men who make motor cars are concerned at the moment with the job of coordinating a gigantic defense program with the production of a normal volume of 1941 model automobiles.

This is the general response of the car manufacturers to inquiries concerning the possibility that the requirements of the rearmament undertaking might interfere with the industry's normal process toward developing 1942 models.

Johnston County leads the state in the number of hens of laying age with 174,540 on Jan. 1, 1940, the State Department of Agriculture reports in the 1940 farm census.

FOR RELIEF in **Headaches** **Simple Neuralgia** or **Muscular Pains**

DR. MILES ANTI-PAIN PILLS

If you never have had any of these pains, be thankful. They can take a lot of the joy out of life.

If you have ever suffered, most of us have, from a headache, the next time try DR. MILES ANTI-PAIN PILLS. You will find them pleasant to take and unusually prompt and effective in action. Dr. Miles Anti-Pain Pills are also recommended for Neuralgia, Muscular Pains, Functional Menstrual Pains and pain following tooth extraction.

Dr. Miles Anti-Pain Pills do not upset the stomach or leave you with a doxy, drugged feeling.

The RIGHT WAY TO MAKE A LONG DISTANCE CALL

When placing out-of-town calls you will always get good service, but you will get the **quickest service if you do it this way...**

In the case of a Person-to-Person call,* first give the Long Distance Operator the name of the place you are calling, including the state, and then the name of the person you wish to reach and the telephone number if you know it. If you do not know the telephone number, give the person's address.

Give your own telephone number when the operator asks for it. Your information given in this order enables the operator immediately to start making the connection.

When placing a Station-to-Station call,** make this clear by first saying, "Station-to-Station." Then give the name of the place, the state and the telephone number. If you do not know the telephone number, give the operator the name and address under which the telephone is listed.

Give your own telephone number when the operator asks for it.

*A Person-to-Person call is one where you ask to be connected with a particular person at a distant telephone. Timing of a Person-to-Person call does not begin until the person you want is on the telephone.

**A Station-to-Station call is one where you merely ask to be connected with a distant telephone. The charges on a Station-to-Station call begin when the distant telephone answers. This service costs considerably less than Person-to-Person service.
