WE THREE "C" ALL

Editor's Note: This column is offered as a feature to youthful readers of The Herald in the spirit of fun, however, if it meets with the disapproval of parents, the column will be discontinued. We rather like the column and sincerely hope that it will be received in the jolly manner in which it is written.
Hi! surprised to see us back? ... Yes ... No ... By the way—after the Gossipers met the Herald half way Thursday — it seems that quite a few people got their head warped

... But that ain't all ... they got fussed, cussed, and knocked about... cause people thought THEY wrote this column ... We knowed all the time that "WE THREE" wrote this column ... but ... we ain't the gossiping kind ... see ... Charlie A is this going to be an every night affair ... or are you on a spree? Fay's a cute gal you know ... Was it a happy week-end "Cyclone"? ... We bet with Jimmy D. home ... Jeppers, Creepers — Hook and Vio are at it again ... and can we add Peeler and Doris to the list ... Could it be that they have "That Old Feeling" ... We wonder ??? Well sir who knew Wilson Griffin

like Gogie Rawles ... Oh, geeminy — I guess it is just another case of "puppy love" ... Steady, steady-y people—Did you see Miss Lowrance and James Ratterree at the game Friday night? ... My Goodness ... it just worries us to see Mr. Sawyer out to the games without his adorable wife ... Its all settled as to who's the one for Betty Moore... Its "country" Ben Goforth ... It seems that Cora Herndon is doing O...K... getting a special delivery from New York ... ain't bad ... huh ... If the members of the "Two Bit Club" live up to their constitution, their club should really be a success ... Hal ... you're

better watch your gal ... she's stepping out with George Womack these nights ... "THEY'LL DO IT EVERY TIME" ... !!! ... I'll bet that Marie gives driving lessons now that Tommy has a convertib; —Miss Carson and Joe Lee are making a swell go at it... Seems that Madge and Woodie just must have that after dinner chat ... (in't Love Wonderful ... Maybe and people can't talk, but we aren't dead ... We saw you Pat and Men ... don't deny it ... Valentines are red ... Valentines are blue ... Everything we say is honestly true

Signing off we say... Just Keep Out Of Our Sight... If You Hope To Keep Right.....
