WE THREE "C" ALL

Are K. M. "lovers" rushing the spring season? Whatever the reason may be, there is no doubt as to whether or not Dan Cupid is playing a major role in the lives of many so-called "sweethearts" — The love stories that are heard are specially filled with jealousy, affection, flirtation, rivalry, and heartbreak. Ask Patsy W. about the affection and Menzell P. has his share. Ask Manly and Billy Gene about the rivalry. Vivian seemingly can't make up her mind between the two. As for jealously, flirtation, and heartbreak aren't we all guilty? Who's the new girl Jimmy W. is seen with lately? Better watch out Vera! Charles A. and Fay

undivided interest in each other... but what's this we hear about a Gastonia lad dating Fay Sat. night? Quote: Why be so cranks, Fay? Unquote. By the way... could Wilson G. be interested in Gogie K. again? Or did he ever lose interest? We saw them together Sunday night. Oh yes, Juanita M. dated

a boy from Gastonia Friday night... We hear its getting to be a habit... Tell us more! And who is W. H. taking to the steak supper? It seems that Lib Neal and Jack Fortune are devotedly interested in each other. We saw Jim Mercer and Lib Plonk at the show Monday night. You wouldn't leave a boy standing up, would you? That's another interesting affair. By the way, we want to congratulate Marie and Tommy. A darling couple. We wish you all the happiness in the world. Gogie C. stepped out with a boy from Wofford Sunday night. Nice going. Eddie Campbell dated Jean Mosely from Charlotte. We wonder where Gene White was? Dot Harrison dated a boy from Bessemer City. What's wrong with the home-town girls, you two Charles? What's this about Pete

cutting a picture small enough to fit his billfold? That camera takes a large picture, doesn't it, Marion? Helen Faye has been doing some dating. Wonder how many took her up? It seems Fred Wright would like to go with Betty Falls. More fun! Sleaking off. Keep out of sight if you hope to keep right.

NEGRO NEWS

(By Jessie G. Costner)

Tripartite debates composed of Highland High, Gastonia, Cleveland High, Shelby and Davidson High were held last Friday at the schools. Davidson's affirmative team debated at Shelby and the negative team at Gastonia. The Highland affirmative and negative teams won in the debates, consequently they will take part in the debating tournament to be held at the Dudley High School in Greensboro.

Members of Davidson's affirmative team were Daisy Mae Rhodes and Dorothy Myers. Members of the negative team were Edna Mae Roberts and Ollie Thompson.

The Davidson High basketball team went to the New Hope High School at Rathfordton last Friday. Both the girls' and the boys' teams won over the New Hope teams. Boys' score: Davidson 28, New Hope 12. Girls: Davidson 15, New Hope 6.

On Tuesday of this week the New Hope High teams came to Davidson. The Davidson teams were a little too swift for the New Hope teams. The boys' score: Davidson 28, New Hope 11. Girls: Davidson 15, New Hope 6.

Miss Daisy Mae Rhodes spent the weekend in Winston-Salem visiting Mr. and Mrs. Willie Martin. Mrs. Martin is the daughter of Mrs. Dora Wingo of Kings Mountain.
