

Looking 'Em Over

(Wilma Troiano)

This week we will feature Jim Willis, another veteran from last year's junior team. Jim has been a three-letter man for the High School and graduates this year. Last year on the Junior Legion team he played third base and started many double plays from the hot corner. Willis hustles every minute that he's in the game. This year he has been switched to catcher and before the season is over, Jim will be one of the tounchter members in Junior Legion circles. Jim possesses a very strong throwing arm, is a good receiver, and seems to know how to work on his opponents when they come to bat.
