BRIDAL PARTY ENTERTAINED AT BREAKFAST

Mrs. Garland Still of Winston-Salem entertained members of the Plonk-Cooper bridal party at an attractively appointed breakfast at the home of her parents, Mr. and Mrs. R. L. Mauney on Piedmont Avenue, Thursday morning. Floral decorations in red and white were used throughout, in keeping with the color motif chosen for the wedding.

Tomato juice cocktail was served in the music room by Mrs. W. K. Mauney, Jr.

The bride and bridegroom, together with their parents and the minister, were seated at the dining table and other guests found their places at small tables. The dining table had for its centerpiece red carnations and babybreath and the places of the bride and groom were marked with a miniature bride and groom. The small tables were centered with a red carnation in bud vases.

An elaborate breakfast was served to twenty-five guests which included the bridal party and others.

DURAMIN, the "Tire Vitamin," that toughens rubber. It's used in the tire carcass, in the sidewalls and in the tread. DURAMIN in the tread not only fights road wear, but also prolongs the life of the tread design, which is the important skid protecting part of the Life-Saver Silvertown. DURAMIN in the tread, preserves for many more miles, the deep spiral bars that act as a battery of windshield wipers to sweep dangerous wet roads dry for instant life-saving stops.
