

SUPER SNOOPERS

Here we go again. Let's pick on **Glenn Hawkins** first. We hear her heart has a military beat and its all for E. M. I. Who is it around town here who always under his bed for fear an airplane will drop a bomb on his house? We wonder! Were we surprised to see **Maury**

Starnes at the **Manquerade** dance Saturday night with **Mary Helen Smith**? But **Margaret** was bubbling over with jealousy?

Charlie Moss has cut off his work old hand and is once more offering a clean face. **Billy Gene**, where do you spend your spare time? Don't keep us in suspense.

Margie Gibson's heart beat is tall, dark and — well ask **Margie** — she will tell you all about it — by the way, where did we see you Thursday, **Margie**?

Go, but we're proud of our football team for winning their game Thursday night over **Newton**. **Boys**, we're pulling for you. There is no doubt when we couple **A. G. Sargent's** name with **Jean** **Willing** **Nancy** **Plunk**, **Charles** **Neisher** likes **Elliott** **Carroll** — **Pretty** **girl**, **best** **eyes**? **Houston** **Black** **Bloss** **Ma** **lik** **C** **ouse** **we** **are** **wondering** **if** **David** **and** **Houston** **are** **having** **any** **fun** **in** **Winky** **Wine** **and** **Nancy** **John** **Gamble** **are** **constant** **trouble** **makers**.

We hear **Maury** **Starnes** dated **"Natty"** **Saunders** **Sunday** **night** **was** **the** **peeler** **or** **was** **it** **the** **Shelby** **boy**?

Does anyone know who **Jean** **Holly** **secret** **passion** **is** **now** **that** **Charles** **is** **out** **of** **the** **picture**?

George **Lattimore** **why** **don't** **you** **and** **Eddie** **stop** **beating** **around** **the**

At the present time 50 percent of the population of the Orphanage is of **Massachusetts** parentage. The Home possesses valuable buildings, ground and equipment and has had no operating deficit for several years.

The annual budget of the Orphanage calls for an expenditure of \$120,000. This provides shelter, clothing, food, recreation, heat, light, books, school supplies, health program, staff of trained workers, vocational training in several departments, laundry, repairs and upkeep to buildings, grounds and equipment, an experienced care work for a family of more than 100 children.

Supt. C. K. Prange announces that the sum of \$10,000.00 is needed this year for operating expenses in order to balance the budget.

The Oxford Orphanage is more than a philanthropy. It is an institution in the lives of North Carolina boys and girls who would not otherwise have a chance to pay to the State and its citizenship the high dividends in character and trained citizen people. It is an opportunity today for North Carolina citizens to express in a substantial way their desire to help others.

The orphanages of the State use the Thanksgiving season as an occasion to appeal to the citizens of the State for much needed assistance. The superintendent of the Oxford Orphanage announces that the Home is open to visitors each day and hundreds of North Carolina citizens visit this historic spot each year.

COLLEGE COMMENTS

(By Carolyn Prince)

Let's take a peek into a few more colleges where Kings Mountain is pursued by young students and see what they are doing that is outstanding.

At Appalachian State Teacher's College Kings Mountain shows up well in the music department. Keeping up the good work which she did in the K. M. H. S. band, Carolyn Carpenter is looking away on her horn in the band there. And **She** **Ruddock** is — wait! Don't miss — is will you a drum major in the Appalachian band. Then there's **Jessie** **McSwain** who made the cut for the club and also is a member of the college quartet which is quite an honor.

As the college parties began to come to us that **Johanna** **Keen** is playing some back football for Clemson. You heard? And at Appalachian State, **Halter** **Walker** the name for the men's soccer team.

Of course there are many others who are outstanding but we will cut the column short this time and save those for a later date.

Five hundred Duplin County farmers were shown how to inoculate their Austrian winter peas as they called at the railroad station for them, says Assistant Farm Agent L. P. Weeks.
