Why should he care? After all, we bet he enjoyed himself Tuesday night.

Ever bid quite a tilt of campaign talk down on Fisher Street Sunday night. Wish what's a fillin, Billy Hayes, Hoss, and Charley A.? Dont rush boys, the line behind us isn't right. Wonder how Happy would feel if she heard of this, Charles A.?

Margaret Ware hasnt anything with a pair of pants on. She and Wop were the sporty couple Sunday nite. Sorry to hear Buddy and Margaret had a little spat just when he came home for Christmas holidays. There's one boy around town who would like to see his name in this column. Pug Dorse.

Seems like ole times to see these familiar faces popping up around town. Meaning the college boys and girls. Faye is especially glad. we think or rather she should be. Does Mathis look lost? Dont loose faith, Gene, your chance will come sometime.

Jackie Gamble has been kneeing at Christine Gallant's door lately. Cute couple! Wonder if John and Ted has anything to say! Must be nice to be so popular. Manly and Vip can be seen around most anywhere in the way. Monday night must have been an ouch for Vip she was about four shows high.

Harriet Phifer spends time down in Gastonia. We think she is with ten. Martin. Who is arriving the arrival of a friend from Ohio? How about this Rachael?

What's this we hear about the S. P. of Florence Rhea? Dont hold out on us, Florence.

Have you heard that Peggie H. dreams about Billy Gene, every night. Doris wants Santa to fill her stocking with games. Charles was seen at Mary Annie's about Thursday nite. Coyte Hunter has a fancy for Jackie, Janette Mabry has a real soft spot for Eddy and that Dot Costner, K. M.'s basketball star was seen with a boy from Bessemer.

Well! Folks! That's all the dope this week so we'll be snooping around on the lookout for more gossip. Until next week, same time, same name, same paper—

We are the Snoopers
And super we are.
We hope your number
Right up to par.
