NOTICE

I am a candidate for the County Board of Education subject to action of the Democratic Primary on May 30th, 1942.

Your support will be greatly appreciated.

A. L. CALTON, Lattimore, N. C.

For Congress

I am a Candidate for re-nomination as Representative in Congress from the (new) Eleventh Congressional District of North Carolina in the Primary to be held on Saturday, May 30, 1942.

On account of the war, it will be practically impossible for me to come to Cleveland County before the Primary. I would have every voter to know how much I appreciate the loyalty to me in the past, and in advance, to thank each and every voter for his or her support in the coming Primary Election.

A. L. Bulwinkle

To The Voters Of Cleveland County:

I want to be YOUR representative to the State Legislature, and I pledge to give my most earnest attention to all matters coming before the House and will endeavor to give the people of Cleveland County the high type of service they are entitled.

The big issue today is winning the war, and I promise my efforts in this direction. Economy must prevail, and non-essentials must go.

This is the first time I have ever been a candidate for any public office and I will appreciate your support and vote. I am a business man, and I know that our State Government must operate on a business basis.

I do not think it is the duty of a representative to go to Raleigh, just to make new laws, we have more than enough laws now.

I am not tied up with any other candidate in the primary. It is my feeling that every candidate should stand on his own merit and that the voters should decide who is to be their representative.

I promise to co-operate with the County Commissioners on any legislation in regards to Cleveland County.

I am married, have three daughters, am 32 years old, and a member of the Presbyterian Church.

It has been impossible for me to personally see every voter, but I want you to consider this an invitation to vote for me, so that I can be YOUR Representative.
