KINGS MOUNTAIN, N. C. THURSDAY, JUNE 25, 1942

State And National News Lions Have Unique Condensed In Brief Form Ladie's Night Program

-National San Francisco, June 23 Carles P. Remuia, termer in a builet-riddled and fecrepit minne, has arrived in the t nated

Aide-de-comp to General MarArthat he was one of the last to wrighed in and closed from heave the busiesed perments will go to New York to receive a ber drive in Gaston County 10-61 Pulitzer award for interpreta-Sinc Writing.

Denver, June 25. Tile thefts 15. mutti yetorday

Then someone stole 2,000 pounds of rubber, mostly tires, from a trucklend consigned to salvage compaigs beadquarters.

Scattle, June 23.—Screams from the apartment of young Mrs. Jean Mangini aroused neighbors - and finally awoke Mrs. Mangini her set: She heard a commotion outside

her door, found four policemen summoned by the neighbors crowd re dy to crash through. Blushingly, she blamed acreams on a nightmare.

Washington, June 23.—Randolph Paul, tax adviser to Secretary the Treasury Morgenthan, said day that domestics, farm labor andother groups exempt from the cial Security tax would be excluded from a pay-as-you-go plan of indivi-& dual income tax collections approv ed by the House Ways and Meune

The proposed withhoulding calls for payroll deductions equal to 10 per cont of the difference be tween income and exemptions and credits beginning in January.

As the committee prepared wind us consideration of its \$6. 640,000,000 tax bill in a day or two it became known that Paul had exp e-sed strong op, o-1 ion to a proposal to limit the size of estates to \$25.000 - a sarallel to President Roosevelt's request for a limit individual incomes to \$25,000 after a payment of Pederal taxes.

Paul also opposed a suggestion that individual bank accounts taxed The committee vesterday rejected both this suggestion and anthe to place a 2 cent tax on bank

an invalid for several years, tern critically ill for the past fow weeks at her bome on Sh of Hartford, Conn.,

Kings Mountain Blackout Was Big Sucess Sun. Night

Gas Registration To Be July 9, 10, 11

total of July 1 .. to breder to conterrete an extra week in which

The rebistration of car owners in Kings Mountain will be held on July 9. 10. and 11, instead of July 1. 2. and 3 as originally announced. At that time basic "A" rationing books for gas will be issued to all motor-

in order to extend the pre ent emergency plan for the additional week OPA authorized use of war bond neat to the upper a d corner of e ch card for a unit of gasoline it will entitle 'A' card holders to three gallons, B-1 to four callons. B-2 to five gailons. and B-1 to six gallons. Pilling station t endants wil p n b th seal as if it were one of the units on the card All unused A and B cards will continge to be good for gallons per

son explained that car sharing make one car do the work of two, has become an integral port of the coupon rationing plan, an-OPA desired that every effort be made to form as many such clubs as possible before the registration will be necessary for all ca

owners to present their regulations cards when they apply for ration in permits according to W E Blakely man of the Local Rationin. Board Registration to: far, will b firld to the to minasum in King- Mountain and at the high schools in Grover and Beth-Ware

Trucks, taxis buses ambulances and hearses will register at the Rationing Board in the City Hall Truck owners will be required to fainish registro ten efficials with the number of miles driven during May 1942 the number of miles to to driven during July August and Sentember 1942 and the terite ner galleen The new cutternies becomes offer

the Wednesday July 22

Value of the rationing units has prost been to mark out in the later according to Choisman Blake

Purchase Of Auto Stamps Is Urged

.The side on the doller federal as temobile tax stamps which every car and truck owner must purchase is July 1 is not moving at a very fast rate, it was reported Wedner published in this issue of The day by Postmaster W. E. Blakely The post office officials stated

that it would be greatly appreciated nce. Headquarters for the bus com if citizens would begin buying these stamps before the end of the month thus avoiding a last minute rush.

These stamps may be purchased not only at the Kings Mountain post ffice but at any of the post offices

Flumorous Story

By WILL ROGERS THE Worst Joke I heard today

was still told to me by an Eng-ishman. The Coalition Party was solding a big meeting, and the place was so packed and jammed that you couldn't have gotten out with a chisel. The meeting had dragged along for a couple of liours, and one old follow started in interrupting Lloyd George, who was speaking. He kept exing.

The effectiveness of the various branches of Kings Meantain the defense groupe was dis-

inclinate - Face 4 days f committees the air last married to the title sites and immediately Kings

beater Warden t. E. Netsler Jr. and (o-ordinator H & Burdette were on duty in the control tenter at the City Hall and Juntur wardens auxiliary policemen and firemen regular firemen and policemen patroled the entire area that the lights were reported burning in the blackout area, these two which were in the business section were quickly extinguished The engineer on a switch engine which was op erating on Battleground Hoad the time of the blackout co-operated by dimming his headlight

Mountain was in darkness.

During the blackout firemen wer given practice, as several "incendiary bombs were set off in different sections for the fire ledders to exi commission is

The blackout which was held in condumetion with tensor was regarded as perfect to respect by officials in charge of the test. Over 200 cythan defense work ers took part in the trial test

For some unknown cases airplanes which were schelul d to the over King- Mountain during the blackent falled to arrive

Industrial Users Of Sugar Required To Register Again

Beginning today and continuous on til July 5 institutional and industrial sugar consumers will re-registe for sugar allotments for the mon he of July and Assurt it has an combated by M. A. Plinkers Rution ma hard Charleson) The maked commercial little and firms required to resister are the heappeal that the area

day from le a moto p p in it was announced The percentage sugar allocations to the the statement and the dustrial considers are the same as when they registered two months ago Mr Blakely said

Sugar Stamp No 5 for individual users is said between June 28th and July 25th for 2 pound, instead of one, and Stamp No 6 is to be used between July 26th and Aug 22nd for two pounds instead of one. according to Chairman Biabely

5th Registration To tie Tuesday

The fifth registration for young men from 18 to 20 years old will be held next Tuesday. June from 7 oo A. M to 9 oo P M ac ording to the local Braft Board, C. M King will be in charge of the egistration at tireser Lester Hern oon, at Greecer and Mrs. Frank Sammers in Kings Mountain The places of registration will be at \$100 Grever and Waro High School- and at the City Hall in Kings Mountain The once this! registrary will call for assistants from those was have belowd in previous registra-

Kings Mountain registrants are asked to please note that only one place is designated for registration here instead of several as in previous registrations

Approximately 256 are expected to register from Number Four and Five Townships for the fifth registration
