WHAT THE BOYS IN SERVICE

Dear Editor —

Being so far away from good old Kings Mountain, it is nice to hear some news of it and I really do enjoy the Herald. You see it gives us keeps a lot of news about home and we like it very much. I am going to graduate School this coming [illegible] the 28th at Fort Sill Okla. for meantime training in leather work I will enjoy the Herald.

Dear Editor —

My husband and I really look forward to Friday morning because that's the day we receive the Kings Mountain Herald. There are [illegible] Wheeler was [illegible] We always spend the [illegible] The newest comer to Wheeler is Mrs Bell. I'm sure a number of boys [illegible] remember her.

Enclosed is a clipping from the Macon News. Maybe several of the homefolks would be interested.

The people here in Macon are lovely people and they really have been nice to us. They are always having us out to dinner. Not only Eugene and I but every person who wears a uniform.

Once more I say, "We really enjoy reading the best hometown paper in the state of N. C. The Kings Mountain Herald."

Sincerely,
Pvt. and Mrs S. Eugene McSwain

The following item was taken from the Macon News:

Fabulous Souther Belle Still Exists At Dances

If you think Southern girls don't still wear fluffy dresses and flowers in their hair, if you think the ordinary soldier is tough but does not know how to appear in a ball room you should happen in at the Recreation Center on a Tuesday.

That's the night for the formal dance at the Center when the girls wear their best evening dresses and the soldiers come with their creases pressed and their shoes shining.

If you haven't been to the Center you're missing something. It makes you proud to see our Macon girls, from our very best families, doing their part — and loving it. To see British cadets, boys from Williston and Cochran Field and Wheeler, dancing with our Southern girls.

Mrs. Charles Gavin, in charge of the Center with Mrs. Jack Cutler, speaks to all the boys and girls — and calls most of them by name. She does everything from arranging to have a home-made lemon pie sent to a Wheeler soldier whose father writes his son is hungry to one to planning weddings and steering young couples from impulsive wedding ceremonies to religious ones.

They're all gentlemen and we very seldom have trouble with the boys,' reports Sgt. Marvin Phillips of Charlotte, N. C., the MP who has been in charge there since March 1941. His able assistant is Pfc. Spurgeon E. McSwain of Kings Mountain, N. C. These men are quiet and diplomatic, but you can see they have all it takes if the occasion arises, for the use of a firm hand.

Dear Editor Lynch

I want to take several minutes of your time to let you know how very much I appreciate your thoughtfulness in sending me the Kings Mountain Herald. It is really a fine gesture and a sure cure for homesickness.

I have been receiving it every week and all the boys seem to get a great kick out of reading it. [illegible] the boys from my neighboring towns.

I am looking forward to receiving your newspaper in the months to come and am sure the rest of the boys in the service from home are as proud of it as I am.

Thanking you again and with very best personal regards I remain

P S Tell the boys to drop us a line, will be very glad to hear from them.

Hello Folks in N C

Just to let every of Kings Mountain know that I one of the boys of the 148th General Hospital. When I was inducted in the service I was put in the 113th Medics at Camp Shelby Miss. After staying there for nine months I was transferred into the 148th Gen Hospital. After I was there awhile I began to get acquainted with the boys I have got to know lots of boys from Kings Mt. as follows: Corp William L. Butler Pfc J W Rogers Corp Clarence Hudson Pfc. Hoyle Queen and to be truthful I think they are swell boys. I am really proud to be in this branch of the service with them. Although my home is at Robinson Creek Ky. I am 24 years old and have been in the Army sixteen months I would gladly answer all letters that I receive. If anyone wishes to write me.

I am in a place now that I cannot say just any thing but there's one thing for sure WE of the 148th are doing our part in this war and we're going to win it. This organization is 100 percent in buying War bonds and stamps and I'm asking [illegible] and we like to say them I am quite sure that there was some [illegible] that Hitler said that he will have to awaken. He may get a look at us then. I hope so. [illegible] I know [illegible] for War Bonds and Stamps.

FARM QUESTIONS

Q Have prospects for [illegible] fertilizer improved [illegible]

A Apparently not. It is estimated now that farmers will be able to get only four-fifths as much nitrogen in 1942 as they received this year. For this reason agricultural leaders are asking farm people to seed their wheat and other fall grains without nitrogen fertilizer, so as to stretch the remaining supply to meet the needs of crops more dependent on this element. Pea and vegetables as well as certain other crops should get first call.

Q —should Victory gardeners attempt to save seed?

A —Since the production of high grade vegetable seed, relatively free from disease, is really one of the most highly specialized phases of agriculture, the home gardener might be wise to buy all of of his seed from dealers.

Embarrassing

When *Acid Indigestion, Gas on Stomach or Heartburn* make you feel uncomfortable or embarrass you, try Alka-Seltzer, which contains alkalizing buffers and so helps counteract the associated Excess Stomach Acidity.

'But the relief of these minor stomach upsets is only a small part of what you can expect Alka-Seltzer to do for you. You will find it effective for Pain Relief in *Headache, Neuralgia, Colds and Muscular Aches and Pains.* It contains an analgesic, (sodium acetyl salicylate), made more prompt and effective in its pain-relieving action by alkaline buffer salts.

When hard work or strenuous exercise make you feel tired and dragged out, enjoy the refreshing effect of a glass of sparkling, tangy Alka-Seltzer.
