

SUPER SNOOPERS

When the Super Snoopers refused to write a column, we, under the same name, decided to give you the "Cut Up of the town. We are glad to see Gene White home on leave—Especially Christian.

Charles A. Gelforth dated the new South girl! (Who, eh?) We can't leave out the Finger's summer romance. We wonder why the Ex-Snoopers have not had them in the spotlight. That's a cute couple, looked serious until we heard Dan was dating our new teacher.

We don't know whether it's the rocking chair or the cradle that's being robbed (anyway) Harold Glass and Imogene Ballard are seen together here!

Jack Clark and Jeanette Smith still make the ideal couple!!

Clara Mae Gantt and Mendenhall date with Douglas Houser and Helen Ramsey (Sunday) night nice going Douglas! Oh yes, the boy visiting Clara last week was the No. 1 we thought!!

The paper stated that girl friend drew Sara Falls to Florida, but we found out the Army is down there, at least her Army interest is.

Ernest was down to see Doris for the week-end. We hear they had a swell time—Made up for the last time. Miles has gone to see Betty we hear. We are wondering if they could be serious.

We have seen Betty Falls and Jim Nickles at the show lots lately—What happened to the Falls-Barber affair? We heard that was at most wedding bells with her flashing a ring!

Jean Hord looks lonesome since Mac left for the Navy but we notice Darwin is around. Maybe the old flame will start burning—

Jack Patterson and Doris Phifer look plenty alright together—Keep us the good work Jack!

We wonder who Hal Olive is being true to—??—Give the gals a break please.

Has anyone heard from Vivian? We still think that Corporal is

Who is Frederick Weaver's latest don't tell us he has a broken heart like Archie Costner. Anne Margaret Dunagan left town.

The Walter Root went over pretty good Friday night. Just ask Jack-in, Mary Ann and the Neider twins—They danced at Neider's Friday also, they seem to have a nice class. Didn't we see Madge Boyd in town Sunday? No; is she and Charlie Moss doing. We can't keep up with that affair.

Sally and Edna Ruth are still on the courting side.

Who are the Sat night visitors at Louise Roberts? (Could they be Esauwene? CHY special?)

Well, let's let this be roll call—Super-Snoopers is the name. Although we aren't the same, the High Schoolers will have to be on the prod, so writing his column won't be so hard.

accepted under this program until Sept. 15, Scott said.

County AAA committee now are soliciting bids for hauling limestone from railroad points in the various counties to farmyards, he said, and arrangements are expected to be completed before the end of the month so that orders under the 1942 program can be taken by October 1. Bid forms may be obtained at county AAA offices.

Delivery prices of limestone under the 1942 program vary from \$2.40 to \$3.30 per ton depending on freight charges. Prices under the 1941 program will be announced as soon as arrangements for delivery are completed, the chairman said.

San Diego, Calif., Sept. 22. The stock is doing its best to relieve the nation's manpower shortage. Four sets of twins all boys, arrived at a local hospital over the week-end. Listeners report each to be as tall as a sergeant on the drill grounds.

Total fruit production in 1941-42 is expected to be slightly less than record 1941-42 production, according to the U. S. Dept. of Agriculture.
